Challenge: Extreme Hunger

**About:** Hani's mother has struggled to feed her two children on her own ever since Hani's father died. Hani and her brother often go to bed hungry. Hani wants to run and play and wants her brother to grow up strong and healthy, but how can they if they don't get enough good food to eat?

### Prayer Requests:

Pray for children like Hani, who wonder daily if there will be enough food to eat.

Pray for the churches serving families like Hani's by delivering food and sharing the hope of the gospel.
