

Ready, Set, Go: Before Babel

Hello, racers! We hope you had an amazing time during the first day of *The Incredible Race* as we traveled to South America! Our race started at the beginning when God created everything, and then we learned how sin came into the world. Sin is when we don't obey God. Adam and Eve, the first people, sinned when they ate the fruit God told them not to eat. Then came their sons, Cain and Abel. Cain got angry and killed his brother! Then came the time of Noah and the great flood. Everyone was sinning all the time, except for Noah, who found grace from the Lord and was saved on the ark, along with his family and some animals. Lastly, we learned about the tower of Babel. The people built a tall tower to the sky to help them stay together after God had told them to live all over the world. From the very first people all the way to us, everyone sins. We all need a Savior from sin, Jesus Christ.

As the race starts, we explore the beginning of the human race and why nobody has run a perfect race through life.

Go and Do

- » God says to be kind. Do you have trouble being kind? (When we don't obey God, it's called sin.) Ask God to help you obey.
- » Talk to God (that's prayer!) and thank him for sending Jesus, who is perfect, and who is the only one who can forgive our sin.
- » Ask an adult if they remember when they didn't obey their parents. What should you do when you sin?

Hitting a Roadblock: At Babel

Kon'nichiwa, racers! Today at *The Incredible Race*, we headed to Asia where we learned about a big tower that was built long ago. There are lots of great towers and buildings that have been built all over the world, but this was one tower that shouldn't have been built, the tower of Babel. God told the people to spread out and fill the earth. But they didn't listen to God. They started building a tower to reach to the heavens to help them stay together in a place called Shinar. So God changed their languages and moved the people all over the earth. Because of what God did way, way back at the tower of Babel, people speak different languages and live in different places around the world today. But we are all part of the same family and all need the same Savior, Jesus Christ!

On this leg of the race, we stop at the tower of Babel and check out the important and loving roadblock God provided there.

One Race, Many Nations: After Babel

Jambo, racers! As you traveled to Africa today, you read how the Bible tells us God “scattered,” or “moved” the people from the tower of Babel when they didn’t obey him. When God moved the people away from Babel, they ended up all over the world, and over time, the families developed their own traditions and cultures and clothing styles. Though we might look a little different, we know that all people are part of the same race, the human race. Some people have a darker shade of skin color, some have a lighter shade of skin color, and some are in between. In our skin, God put melanin that helps to make skin different shades of brown. We don’t have different colors of skin, just different shades of the same basic color, brown!

On leg three, we see how the human race develops into people groups with different languages, cultures, and physical features, but how we are still one race.

Trace the path and color the pictures to find out how many races God made.

JESUS

One Way—Jesus: Babel and the Gospel

Bonjour, racers! As you traveled to Europe, the next continent on *The Incredible Race*, you learned that you need a Savior from your sin! We each disobey God. The punishment for sin is death, and we will go to a terrible place called hell when we die. God sent his Son, Jesus, to earth to live a perfect life, die on the cross, and rise from the dead on the third day, taking the punishment for sin. God loved us so much he sent his Son, Jesus, so that anyone who admits they have sinned and believes in Jesus as their Savior can have eternal (forever) life and become a child of God!

On our fourth leg, we discover the need to yield our lives to God as he reaches out to all nations, tribes, and peoples with his love.

Complete
the maze.

sent the Son.*

Green Light-Go: Why Babel Matters Today

Yow from Jamaica, racers! We're ending our race in North America today. God wants you to love all people, show them kindness, and tell them about Jesus. God loves us so much that he sent his Son, Jesus, to take the punishment for our sin. Because God loves us that much, don't you think he wants us to share his love with others? In the account of the Good Samaritan (Luke 10), we learned how God wants us to love others and help them, no matter what they look like, where they live, what language they speak, or who they hang out with. We need to tell the world about God's love through Jesus!

On this final leg, we learn that because God loves all people groups, we ought to treat others with love and respect, not prejudice and judgment.

Color Racer, today's animal pal, who reminds us to "race" around showing God's love through Jesus!
