Name: Orik

Country: Albania

Challenge: Extreme Hunger

About: Orik lives in an abandoned building with his father, his older sister, and his grandmother. Orik's father has been sick for some time, so his grandmother has been taking on small jobs around the neighborhood to try and earn a little bit of money. Orik is familiar with the feeling of an empty stomach. When he is able to go to school, he has a hard time paying attention because he is so hungry.

Prayer Requests: Pray for families like Orik's who struggle to provide themselves with even the most basic resources.

Pray that local churches would be able to identify more families like Orik's and give them the help they need.
