

1. God and Satan are equal in power.

6. The Bible is full of mistakes.

2. The answer to the question “Which came first—the chicken or the egg?” is “the egg.”

7. People are just another animal.

3. Some dragons may actually be the same animals we call “dinosaurs.”

8. The Bible says, “God helps those who help themselves.”

4. In the Bible, we find teachings about how to protect from disease.

9. Jesus was just a good man.

5. God tells us in the Bible why we wear clothes.

10. The Bible does not tell us exactly who to vote for.

11. It's okay for Christians to use unpleasant language.

16. People made up the idea of marriage.

12. God wants us to show respect for the elderly.

17. A good motto for my life is "look out for myself."

13. There is no proof that Jesus rose from the dead.

18. There is no evidence of the worldwide flood of Noah's day described in Genesis 6-9.

14. God doesn't care if we take care of the planet.

19. God knows what will happen in the future.

15. God says that children are a blessing.

20. The Bible gives us scientific information.

21. The reason sad things, like sickness and death, exist today is because God is punishing us.

26. Many of today's mountain ranges, such as the Rocky Mountains and the Himalayas, formed as a result of Noah's flood.

22. The Bible supports the idea that intelligent alien life exists in outer space.

27. The story of Jonah is not true. He never could have survived in the belly of a big fish for three days.

23. America is mentioned in the Bible.

28. It doesn't matter who you marry as long as you're in love.

24. Someday there's going to be a new earth, and all the sickness and sadness will be gone.

29. We should take good care of our pets.

25. We need to be good to get to heaven.

30. There is only one way to get to heaven.

31. There are many different races of people.

36. According to the Bible, all people were vegetarians in the beginning.

32. What we read in our school textbooks is always true.

37. Many false religions have one thing in common—they teach that Jesus isn't God.

33. It's okay to be mean to someone who is different from me.

38. Dinosaurs died out from asteroids hitting the earth.

34. Thousands of years ago, people lived in caves.

39. According to the Bible, slavery is okay.

35. Mother nature is in control of the weather.

40. Unlike Gautama Buddha (the founder of Buddhism), Mohammed (the founder of Islam), or Confucius (a Chinese philosopher), Jesus (the Son of God) rose from the dead.

41. People can predict the future correctly all the time.

46. The account of Noah's ark can't be true because one boat wouldn't be big enough to fit all the animal kinds.

42. Archaeologists have proven that many cities and civilizations mentioned in the Bible are not real.

47. It doesn't matter if we follow the laws of the government, as long as we believe in Jesus.

43. Each person is fearfully and wonderfully made by God.

48. After we die, each of us will go to either heaven or hell forever.

44. You can't know for certain if you'll go to heaven when you die.

49. The "saints" we read about in the Bible are a few holy people who performed miracles.

45. God has created each person with a purpose.

50. You can't believe in both God and science. You have to choose one or the other.

51. Men and apes have many physical similarities, which proves they must have evolved from a common ancestor.

56. God doesn't want us to fill our minds with TV shows and books that promote spells, witches, and other ideas that come from the kingdom of darkness.

52. The books of the Bible are meant to be studied by everyone, not just a few men who interpret it for us.

57. We should take good care of our parents when they get older.

53. Jesus existed before the beginning of the world.

58. "The devil made me do it" is a true statement.

54. The books of other religions are just as true as the Bible.

59. The earth is billions of years old.

55. God favors some "races" over others.

60. According to God's Word, we should not let anger linger in our thoughts.
