

Red Cabbage pH Indicator Chart

Red Cabbage pH Indicator Chart

Diaper Duty Record Sheet

Guess how much water you think will be held by the diapers and spoons. Then perform the experiment and record the results. See how close your guesses are to what actually happens! Also, notice the difference between how much water the various items hold.

How much water will each diaper hold?

	Guess	Result
Diaper 1		
Diaper 2		
Diaper 3		
Diaper 4		
Diaper 5		

Which diaper holds the most water?

How many water drops will the spoons hold?

Empty Spoon		
Spoon with Sodium Polyacrylate		

How many extra drops of water does the sodium polyacrylate spoon hold?

Salty or Fresh?

Guess whether the following items will sink or float. For each item and type of water put a check mark under "yes" or "no" to record your guess. Once you've guessed, try the experiment and circle what actually happens.

Will it float in ...

Fresh Water

Salt Water

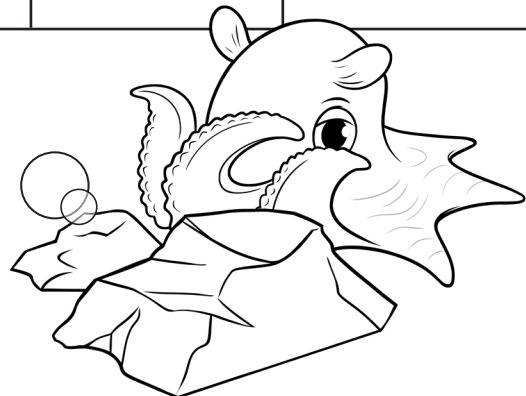

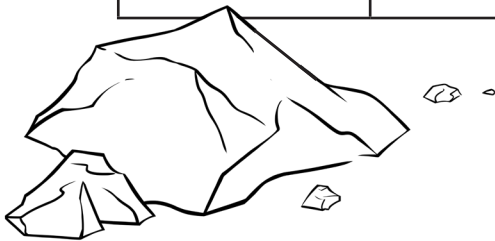

Yes

No

Yes

No
