Ocean Commotion

*Written by Mark Millard & Steve King
Arranged by Corby LaCroix & Paul Dodge*

There was an ocean commotion
(It was so surprising!)
An ocean commotion
(The water's rising!)

Noah knew exactly what to do
When you follow the Lord
He will see you through

This ain't no story, this is history
We're gonna uncover this mystery

There was a flood, bud
The land turned to mud
It got wet, Fred
But God's plan was set

Woaaaaah
There was an ocean commotion
(It was so surprising!)
An ocean commotion
(The water's rising!)

But Noah knew exactly what to do
When you follow the Lord
He will see you through

The people said "Noah, you're such a fool
This is dry land, not a swimming pool"

But he built the boat
And the boat did float
It was a floating zoo
And God's plan came true

Woaaaaah!
There was an ocean commotion
(It was so surprising!)
An ocean commotion
(The water's rising!)

Ocean Commotion

But Noah knew exactly what to do
When you follow the Lord
He will see you through

There was an ocean commotion
(It was so surprising!)
An ocean commotion
(The water's rising!)

There was an ocean commotion
(It was so surprising!)
An ocean commotion
(The water's rising!)
Yeah!

(So march to the beat of a heavenly drum)
Never give up when trouble comes
(Never give up when trouble comes)

Come on and stand up! (Stand up!)
Get up out of your seat

The Word of God is here to stay
(The Word of God is here to stay)
Never ever gonna pass away

Rock The Boat

Written by Mark Millard, Steve King, & Corby LaCroix

Arranged by Corby LaCroix & Paul Dodge

Rock the boat! Rock, rock the big boat!
Rock the boat! Rock, rock the big boat!
Rock the boat! Rock, rock the big boat!
Rock the boat! Rock, rock the big boat!

Now Noah was devoted, a good and faithful man
But the earth was a cruel and nasty place
So God revealed His plan
Soon He said to Noah
This is what you're gonna
Build a boat so big and wide
You and a zoo can fit inside

They're gonna
Build the boat! Build, build the big boat!
Build the boat! Build, build the big boat!
Build the boat! Build, build the big boat!
Build the boat! Build, build the big boat!

So work on the boat began
By Noah and his kin
God said you gotta go build it big
So that's just what they did

When Noah was six hundred
The Ark was finally done
The animals came, God the shut the door
The flooding had begun

They're gonna
Ride the boat! Ride, ride the big boat!
Ride the boat! Ride, ride the big boat!
Ride the boat! Ride, ride the big boat!
Ride the boat! Ride, ride the big boat!

Now do the hammer
Now do the saw
Now pull the rope
Now do them all

Rock The Boat

One, two, three

We're gonna

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Rock the boat! Rock, rock the big boat!

Trusting My Life

Written by Mark Millard, Steve King, & Corby LaCroix

Arranged by Corby LaCroix

Who is the One who made the Earth?
The stars that shine, the universe?
From the highest mountain to the bottom of the sea

God made it all, but He wasn't done
Until He made you and me

So I'm trusting my life with You, Jesus
You gave your life to make me new
Yes I'm trusting my life with You, Jesus
And I believe Your Words are true
So I give my life to You

Who is the One who loves me so?
The One who never lets me go?

When the waters rise and the storms, they come
I know I'm safe inside the arms of God's only Son

So I'm trusting my life with You, Jesus
You gave your life to make me new
Yes I'm trusting my life with You, Jesus
And I believe Your Words are true
So I'll give my life to You

You're the One who saves my soul
You're the One who makes me whole

And You're the One who always loves me so
So I'll trust in You, I put my trust in You

I'm trusting my life with You, Jesus
You gave your life to make me new
Yes I'm trusting my life with You, Jesus
And I believe Your Words are true

So I'm trusting my life with You, Jesus
You gave your life to make me new
Yes I'm trusting my life with You, Jesus

Trusting My Life

And I believe Your Words are true
So I'll give my life to You
I give my life to You

If I don't sing the rocks cry out
He made it all without a doubt
From start to end He planned it out

You just can't stop me

Hey! Sing and shout!
Whooooa! Shout it out!
Just let it out!

I'm thankful for God's only Son
Through Him new life has just begun
From start to end He planned it out

Whooooa! Shout it out!
Just let it all out!

Follow Him

Written and arranged by Dale Huntington & Corby LaCroix

Look up to where eagles fly
A rainbow splashed across the sky
A sign that God sustains our land
Mighty works all by His hand

Our God is so awesome in power
The Father forgives all our sin
The Son holds the whole world together
The Spirit is power within
So we will follow Him

Died for us to take our sin
Conquered death and rose again
A sign that God redeems our lives
Jesus came to make us right

Our God is so awesome in power
The Father forgives all our sin
The Son holds the whole world together
The Spirit is power within

So we will follow Him
So we will follow Him
We will follow Him

So we will follow Him
So we will follow Him

Amazing Grace

Amazing Grace

Written by John Newton

Additional chorus written by Corby LaCroix

Arranged by Corby LaCroix

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see

It was grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

Amazing grace, amazing love
All from the hands of God above
Bright shining as the morning sun
Amazing grace for everyone

The Lord has promised good to me
His Word my hope secures
He will my shield and portion be
As long as life endures

Amazing grace, amazing love
All from the hands of God above
Bright shining as the morning sun

Amazing grace for everyone
Bright shining as the morning sun
Amazing grace for everyone

Billions of Dead Things

Written and arranged by Buddy Davis

The Bible talks about a worldwide flood
Of a worldwide flood
Of a worldwide flood

If there really was a worldwide flood
What would the evidence be?

Billions of dead things
Buried in rock layers
Laid down by water
All over the Earth
[Repeat]

Well, there really was a worldwide flood
Just look at the stony curse

With billions of dead things
Buried in rock layers
Laid down by water
All over the Earth

The Bible talks about Noah and the Ark
And a worldwide flood
Where the world was judged

If there really was a worldwide flood
What would the evidence be?

Billions of dead things
Buried in rock layers
Laid down by water
All over the Earth
[Repeat]

Well, there really was a worldwide flood
Just look at the stony curse

With billions of dead things
Buried in rock layers
Laid down by water
All over the Earth

The Bible talks about a worldwide flood
Could the fossils be
The proof we see?

If there really was a worldwide flood
What would the evidence be?

Billions of dead things
Buried in rock layers
Laid down by water
All over the Earth
[Repeat]

Well, there really was a worldwide flood
Just look at the stony curse

With billions of dead things
Buried in rock layers
Laid down by water
All over the Earth

Billions of dead things
Buried in rock layers
Laid down by water
All over the Earth
[Repeat]

Well, there really was a worldwide flood
Just look at the stony curse

With billions of dead things
Buried in rock layers
Laid down by water
All over the Earth
