

Follow Him

*Written and Arranged by
Dale Huntington & Corby LaCroix*

**Look up to where
eagles fly
A rainbow splashed
across the sky**

**A sign that God
sustains our land
Mighty works
all by His hand**

**Our God is so
awesome in power
The Father
forgives all our sin**

**The Son holds the
whole world together
The Spirit
is power within**

**So we
will follow Him**

**Died for us
to take our sin
Conquered death
and rose again**

**A sign that
God redeems our lives
Jesus came
to make us right**

**Our God is
so awesome in power
The Father
forgives all our sin**

**The Son holds
the whole world together
The Spirit
is power within**

So we will follow Him
So we will follow Him
We will follow Him

So we will follow Him
So we will follow Him
