Dive In!

Every day, we are challenged to stand for God, in school, among our friends, when we're playing... no matter what. Noah experienced the same challenges during the time of the great Flood thousands of years ago. Yet, by God's grace, he was able to Stand for God, Obey God, Trust God, Thank God, and Fear God... no matter what. The biggest watery catastrophe the world has ever known happened during his lifetime. But through it all, Noah found grace in the eyes of the Lord (Genesis 6:8).

Noah entered the Ark so that He could be saved from God's judgment on the sin of the people at that time. Today, we need to repent of our sins and believe that Jesus died on the cross and rose from the dead to pay for our sins—Jesus is our Ark of Salvation!

Be sure to dive deep into God's Word every day to learn from Noah and many others about who God is and what He's done!
