OPERATION ARCTIC

Written by Corby LaCroix, Mark Millard, Steve King

Is everybody ready? Let's get ready!
We're setting out into the great unknown
We don't know what we'll find but we're ready to go
It's an Operation Arctic, an Operation Arctic
Got the Word of God for a survival kit
Got our eyes on the prize and we won't quit
It's an Operation Arctic, an Operation Arctic

Is everybody ready?
Let's get ready!

Operation Arctic is ready to go
A frozen world to discover and things to know
It's gonna be a fun-filled ride, with the Bible as our guide
Operation Arctic is ready to go

From a narwhal, husky, and the Arctic hare
A big musk ox and a polar bear
It's an Operation Arctic, an Operation Arctic
Prepare to be amazed at what you'll find
It's an epic journey that'll blow your mind
It's an Operation Arctic, an Operation Arctic

Is everybody ready?
Let's get ready!

Operation Arctic is ready to go
A frozen world to discover and things to know
It's gonna be a fun-filled ride, with the Bible as our guide
Operation Arctic is ready to go

Operation Arctic is ready to go
A frozen world to discover and things to know
It's gonna be a fun-filled ride, with the Bible as our guide
Operation Arctic is ready to go

Operation Arctic is ready to go!
Operation Arctic is ready to go!

LOOK IN THE BOOK

Written by Corby LaCroix, Mark Millard, Steve King

The best good news
You could ever hope to find
It's in the Book!
The coolest Book around, ya know
It's one of a kind
Look in the Book!

Like a bright light shining on a long dark road
A big warm blanket when it's 40 below
Look in the Book, look in the Bible!
It's in the Book, it's in the Bible!

The best good news
You could ever hope to find
It's in the Book!
The coolest Book around, ya know
It's one of a kind
Look in the Book!

If you ever wanna know about God's big plans
The good news is you can hold it in your hands
Look in the Book, look in the Bible!

Every day, in every way
The Words of God are here to stay
Look in the Book, look in the Bible!
It's in the Book, it's in the Bible!

It's the best good news
You could ever hope to find
The coolest Book around, ya know
It's one of a kind
Look in the Book, look in the Bible!
It's in the Book, it's in the Bible!

THE WORD

Written by Corby LaCroix, Mark Millard, Steve King

God made the world when He spoke it out
But the sin of man turned it upside down
When things got crazy Noah built the Ark
And God gave the world a brand new start

Then He made a promise to Abraham
The people followed Moses to the promised land
Kings would rise and kings would fall
Would there ever be a king who could save them all?

God gave us the Word
Unshakable and true
It's enough to change the world
A shining light for me and you
For me and you, for me and you

Jesus was born in Bethlehem
And He showed everybody how to follow Him
He gave sight to the blind man's eyes
And even brought a dead guy back to life

But some people wanted Him crucified
So He carried the Cross and then Jesus died
Killed by the people that He came to save
But then He rose again to overcome the grave

God gave us the Word
Unshakable and true
It's enough to change the world
A shining light for me and you

Jesus appeared to a man named Paul
And his life was changed by the Lord of all
Then he shared the gospel all across the land
'Cause Jesus Christ is coming back again

God gave us the Word
Unshakable and true
It's enough to change the world
A shining light for me and you
God gave us the Word
Unshakable and true
It's enough to change the world
A shining light for me and you
Me and you, me and you
Me and you, me and you
God gave us the Word

SOLID GROUND

Written by Corby LaCroix, Dale Huntington

The grass withers, the flower fades
But the Word of our God lasts forever
Isaiah chapter 40 verse 8

Well the Book God wrote so long ago is just as true today
From age to age not a single page will ever pass away
When I keep my Bible near me, those words will be my guide
God speaks to me so clearly through the very Book of life

I trust your Word, O God Oh!
It's where my hope is found Oh!
There's no one like my God No!
Your Word is solid ground Oh!

Come rain or shine I'll be just fine, I know just what to do
I'll be the one who stands upon the bedrock of His truth
When I keep my Bible near me, those words will be my guide
God speaks to me so clearly through the very Book of life

I trust your Word, O God Oh!
It's where my hope is found Oh!
There's no one like my God No!
For your Word is solid ground Oh!
I trust your Word, O God Oh!
It's where my hope is found Oh!
There's no one like my God No!
For your Word is solid ground Oh!

LOVE LETTER

Written by Corby LaCroix

For God so loved the world, He gave His only Son
Grace that can't be earned, a gift to everyone
That all who would believe and turn from their own way
Would live eternally, forever saved

He is the way, He is the truth, He is the life
Died on the Cross, rose from the grave, He's reigning on high
There was no other way to take all our sin
That's why Jesus paid the cost
And this is God's love letter to all of us

Your love poured out for us
The perfect sacrifice
There's power in the blood
Of Jesus Christ

He is the way, He is the truth, He is the life
Died on the Cross, rose from the grave, He's reigning on high
There was no other way to take all our sin
That's why Jesus paid the cost
And this is God's love letter
This is God's love letter
To all of us

For God so loved the world, He gave His only Son

STANDING ON THE PROMISES

*Original words and music by Russell Kelso Carter (1886)
Additional words and music by Corby LaCroix*

I'm standing on the promises of Christ my King
Through eternal ages let His praises ring
Glory in the highest I will shout and I will sing
I'm standing on the promises that God has made to me

I am standing, standing on the promises
Yes I am standing, standing on the promises
On the promises of God

When I'm standing on the promises I cannot fall
Listening every moment to the Spirit's call
Resting in my Savior as my all in all
When I'm standing on the promises, I am standing tall

I am standing, standing on the promises
Yes I am standing, standing on the promises
On the promises of God
On the promises of God
On the promises

I'm bound to Him eternally by love's strong cord
Overcoming daily with the Spirit's sword
Standing on the promises of Christ my Lord

THE BIBLE IS A GOLD MINE

Written and arranged by Buddy Davis

The Bible is a gold mine
Where's your pick and shovel?
Dig into the Word of God and claim it
Read it like a treasure map
I know its wealth you'll find
It'll lead you to the streets of gold
The Bible is a gold mine

There's a multitude of seekers
And they're coming to claim the Lord
Prospecting for Jesus
Finding truth in His Word
They're sifting through the Bible
And they find that it is pure
It's a nugget worth more than the gold
That's buried in this world

The Bible is a gold mine
Where's your pick and shovel?
Dig into the Word of God and claim it
Read it like a treasure map
I know its wealth you'll find
It'll lead you to the streets of gold
The Bible is a gold mine

Come join in the gold rush
The inspired Word of God
It's rich in gospel knowledge
It's a treasure chest of love
No eye has seen nor ear has heard
The treasure that's in store
By faith you must believe the claim
And great is your reward

The Bible is a gold mine
Where's your pick and shovel?

Dig into the Word of God and claim it
Read it like a treasure map
I know its wealth you'll find
It'll lead you to the streets of gold
The Bible is a gold mine
