MISSION BRIEFING

BRIEFING SUMMARY—Today, you learned about fingerprints and the three main types of prints people have: arch, whorl, and loop. The most amazing fact about fingerprints is that God gave each person their very own one-of-a-kind prints. No one else has fingerprints just like yours. Just as our fingerprints are not like anyone else's, God is not like anyone else. No one is like the true God; he is one God in three persons. God the Father, the Son, and the Holy Spirit make up the Trinity. It's a mystery—we can't completely understand it, but the Bible tells us it's true.

YOUR MISSION—Cadets, you are called to continue your mission by listening to Matthew 3:13–17 and seeing if you can tell who each person of the Trinity is.

Trace the names of the three persons who make up the Trinity.
Color the picture.

MISSION BRIEFING

STATUS:

BRIEFING SUMMARY—Today, you followed the clues to find out why people do bad things. It all started in God's perfect creation when Adam and Eve disobeyed God. This was the first sin, and the punishment was death. God knew that every person would sin by disobeying him. But God loves us and wants us to be with him forever in heaven. So God sent his Son, Jesus, to rescue us from sin. He came from heaven as a baby, lived a perfect life without sin, then took the punishment for our sins by dying on a cross and rising from the dead. Now you can become part of God's family when you "admit" your sins, "believe" that Jesus paid for your sins, and "forever receive" Jesus. Then you can follow him the rest of your life.

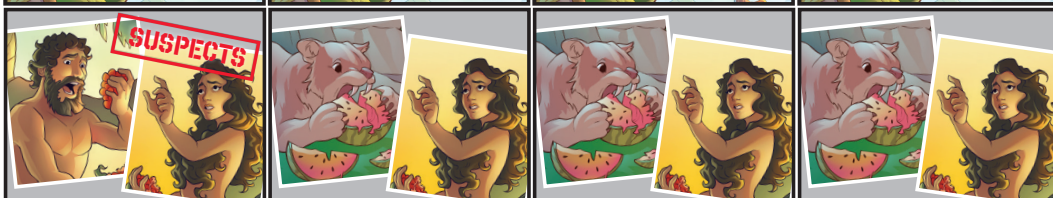

YOUR MISSION—Cadets, you are called to continue your mission by telling your friends and family that they can “admit,” “believe,” and “forever receive” Jesus and become a child of God.

Collect clues that tell us where sin came from and how Jesus solved the case. In each row, circle the clue picture that is different. Can you remember what each one is about?
