MISSION BRIEFING

BRIEFING SUMMARY—Today, you learned about fingerprints and the three main types of prints people have: arch, whorl, and loop. The most amazing fact about fingerprints is that God gave each person their very own one-of-a-kind prints. No one else has fingerprints just like yours. Just as our fingerprints are not like anyone else's, God is not like anyone else. No one is like the true God; he is one God in three persons. God the Father, the Son, and the Holy Spirit make up the Trinity. It's a complete mystery—we can't understand it, but the Bible tells us it's true.

YOUR MISSION—Cadets, you are called to continue your mission by listening to Matthew 3:13–17 and seeing if you can tell who each person of the Trinity is.

ASK YOURSELF THIS QUESTION:

Am I amazed that God is three persons in one?

GO AND DO

- Show your fingerprints to someone at home, then look at theirs. How are their fingerprints different?
- Ask a grown-up to read about Jesus' baptism from Matthew 3:13–17. When you hear about the three persons of God, shout out which person it is: God the Father (spoke from heaven), God the Son (Jesus was baptized), and God the Holy Spirit (came like a dove.)
- Pray and thank God for making you special—all the way down to your fingerprints!
- With the help of a grown-up, check AnswersVBS.com/spyukids for more fun information!
