OUTPUT

ONLY 27%
PER YEAR

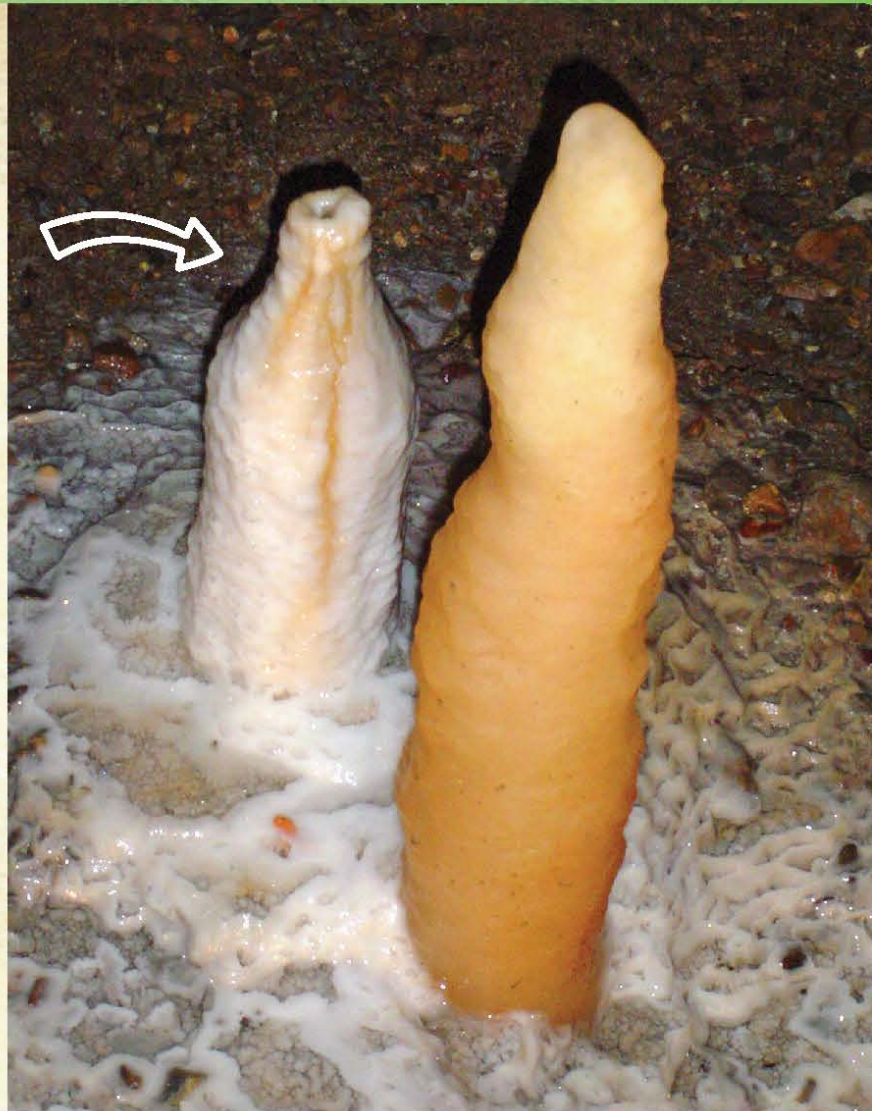

There's not enough salt in the oceans for an earth that is billions of years old, but it's just what you'd expect with a young earth.

THE GREAT
Jungle
JOURNEY
Answers VBS

Do you think it took millions of years for minerals to form on this bottle?

NO!

It will soon look like a stalagmite, which shows stalagmites don't take millions of years to form.

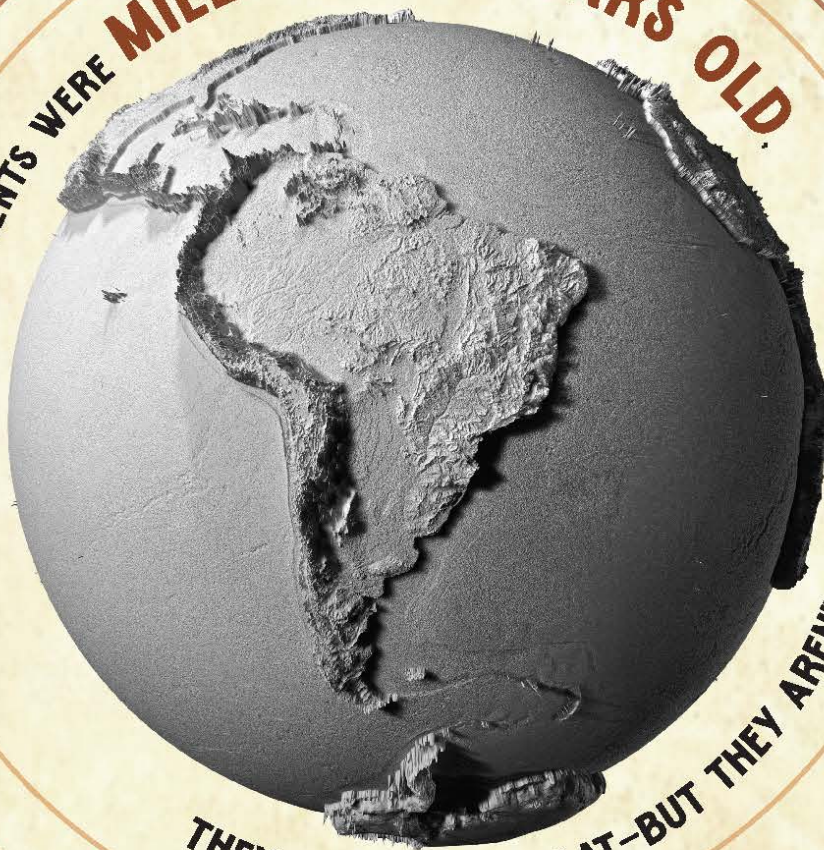

THE OCEAN FLOOR WOULD BE
COVERED IN MUD IF IT WERE
**BILLIONS OF
YEARS OLD-**
BUT IT'S NOT.

THE AMOUNT OF MUD ON THE
OCEAN FLOOR IS IN LINE WITH
AN EARTH THAT IS JUST
**THOUSANDS OF
YEARS OLD.**

IF THE CONTINENTS WERE **MILLIONS OF YEARS OLD**

THEY'D BE ALMOST FLAT—BUT THEY AREN'T!

EDEN

Eden the parrot reminds us of the first C of history—**CREATION**—when God created the garden of EDEN and the beautiful, rainforest-like world that was all good.

WIDTH = 2 SCHOOL BUSES
HEIGHT = 3 GIRAFFES STACKED
LENGTH = 1 ½ FOOTBALL FIELDS

People were **INTELLIGENT**
from the very beginning, and
they used that intelligence
to build the ark.

God directed the animals
to come on board the ark,
AND THEY DID.

Noah didn't have to take two dalmatians, two beagles, two wolves, and two coyotes. He just had to take two from the dog kind (and two of the other animal kinds as well).

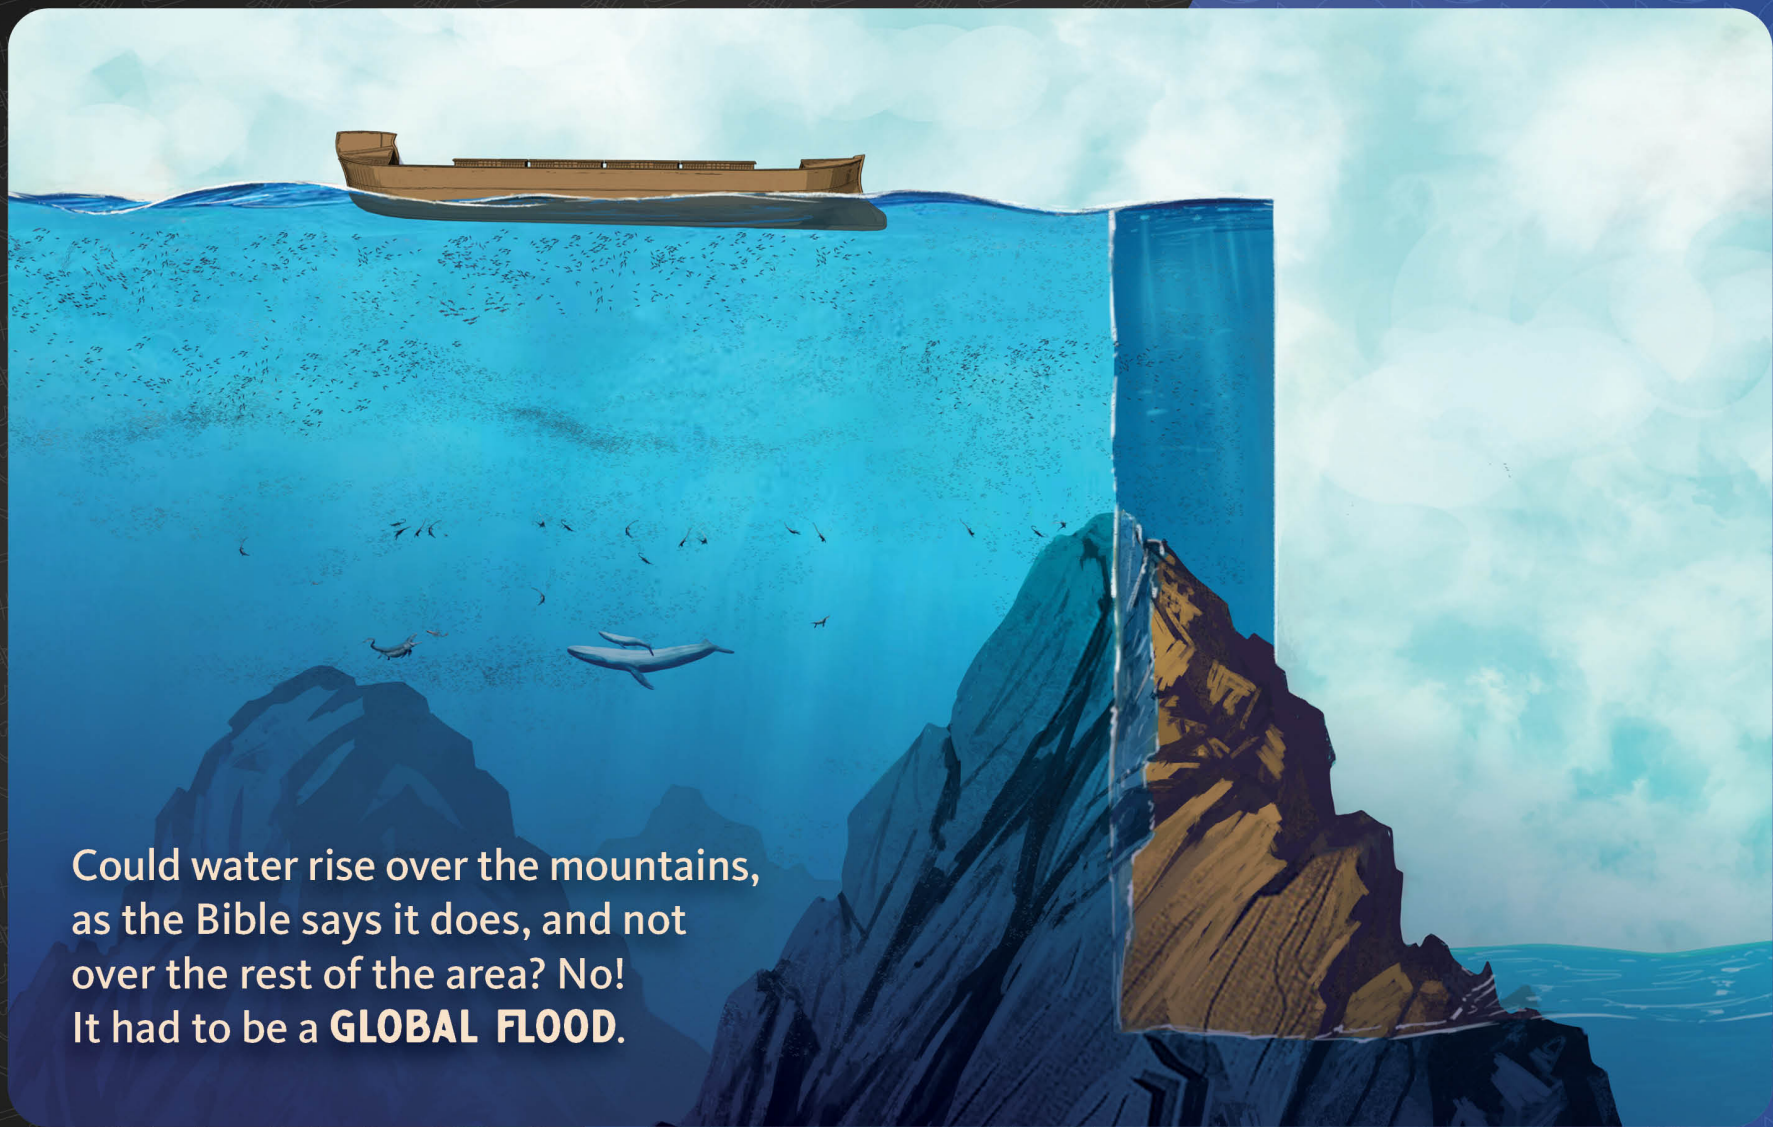

**THERE WAS PLENTY OF ROOM
TO FIT THEM ALL!**

**YOUNG DINOSAURS WOULD
HAVE EASILY FIT ON THE ARK.**

Poor Big Joe
obviously didn't
get the memo.
Kids only!

Could water rise over the mountains,
as the Bible says it does, and not
over the rest of the area? No!
It had to be a **GLOBAL FLOOD**.

God promised he would never send
another global flood, and he hasn't.
**GOD ALWAYS KEEPS
HIS PROMISES!**

All over the earth, there's evidence of
A GLOBAL CATASTROPHE.

**IT DOESN'T TAKE MILLIONS OF YEARS
FOR FOSSILS TO FORM!**

Fossilized Hat

Fossilized Teddy Bear

After the flood, dinosaurs began to die off due to people hunting them, the environment changing, and disease causing sickness and death. These are the same reasons many animals become extinct.

Tox

Tox the TOXIC poison dart frog, reminds us of the second and third C's of history—**CORRUPTION** (dark) and **CATASTROPHE** (blue)—when sin entered the world, getting so bad that God sent a worldwide flood. Now there's good, but also bad and sad in the world.

Junior / Primary
DAY 2
VERSE

They have all turned aside;
