

An Epic Cruise from  
Genesis to Revelation

A group of seven diverse children are running joyfully through a lush green field filled with yellow wildflowers. The children, of various ethnicities, are dressed in casual summer clothing like t-shirts, shorts, and skirts. Some are holding hands, and their hair and clothes are in motion, suggesting a fast, happy run. The background shows a line of green trees under a clear, bright blue sky. Overlaid on the center of the image is the text 'SENSORY FRIENDLY VBS' in a large, bold, red serif font.

The background is a vibrant pink gradient, transitioning from a lighter shade at the top to a deeper shade at the bottom. Numerous translucent, 3D-rendered bubbles of various sizes are scattered across the entire frame, creating a bubbly, dynamic effect. The bubbles have highlights and shadows, giving them a realistic, floating appearance.

- 
- The background of the slide features a close-up, high-angle shot of water. Numerous small, clear bubbles are visible, each with a bright, multi-colored reflection on its surface. The water's surface is covered in concentric ripples, creating a textured, circular pattern that radiates from the center. The overall color palette is dominated by various shades of blue and purple, with the light reflecting off the bubbles adding a shimmering effect.
