DAY 1: CREATION

All Is Good

Name _____

Welcome aboard, travelers! We're cruising down the river through the 7 C's of History on our great jungle journey. Today we traveled back about 6,000 years to when the world began so we could learn about the first C, **Creation**. Although many believe that everything began with a big bang billions of years ago, we know that God created the heavens and earth in six, 24-hour days about 6,000 years ago because this is what the Bible teaches. God has even provided scientific evidences that confirm what the Bible says. From light and air to trees and fish, from monkeys and stars to people in his image—everything was made by God.

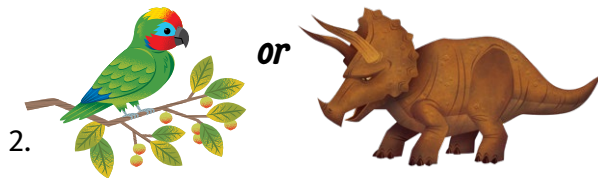

Two things are pictured on each line below. Circle the one that was created first and fill in each blank with the correct day of creation!

Challenge: Practice saying this super slowly like a sloth, then super fast like a speeding basilisk lizard.

Tomorrow's Verse: They have all turned aside; together they have become corrupt; there is none who does good, not even one. Psalm 14:3

Ask yourself this question:
Do I honor God by enjoying
his beautiful creation and
praising him for it?

- Prepare to be amazed and honor the Creator as you look at the world he's created! Go on a walk and see if you can discover at least 20 things God has made, and praise him for them. Besides things you see, do you smell anything good God has made? Feel anything? Hear anything? Find out more about at least one of them.
- Here's a great habit: Talk to God every day and thank him for at least one thing he created—a plant, an animal, a person, or a material that something is made out of (wood for a chair, gold for jewelry, aloe for lotion). It honors God when you give him credit for what he's made!
- Tell someone something you learned today about the creation account versus the story of Dot.

DAY 2: CORRUPTION & CATASTROPHE

All Sin

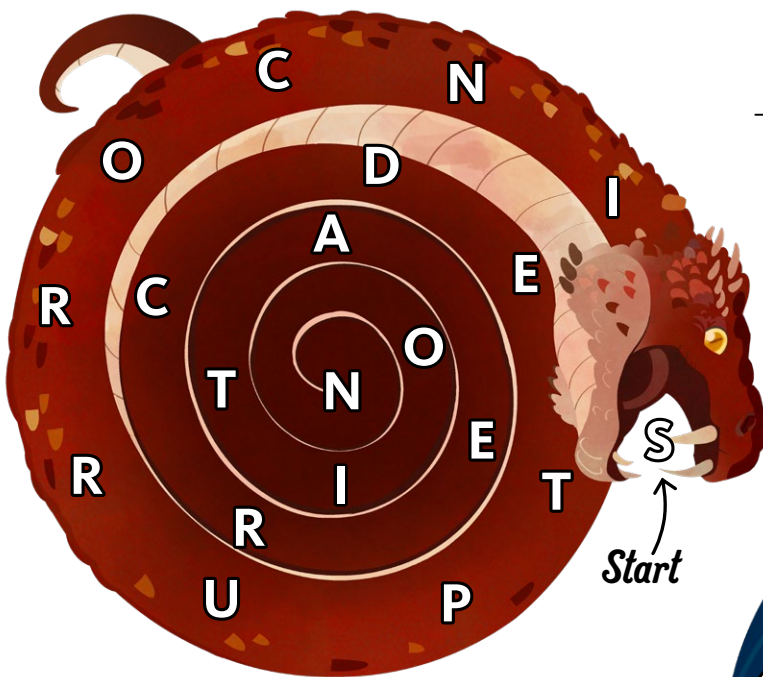

Name _____

Welcome back, travelers! Today on our great jungle journey, we explored some of the dark places in the jungle. First, we learned about the second C, **Corruption**. The Bible tells how Adam and Eve sinned when they disobeyed God by eating fruit from the tree of the knowledge of good and evil. Since then, the world has been corrupted by sin and has both good and bad in it. Because every person sins, it didn't take long for the corruption to become so bad that God had to judge the people's wickedness by sending a global flood. This is the third C, **Catastrophe**. Water from above and below covered the whole world. Only Noah and his family, along with two of every land-dwelling animal kind (seven pairs of some), were kept safe on the ark.

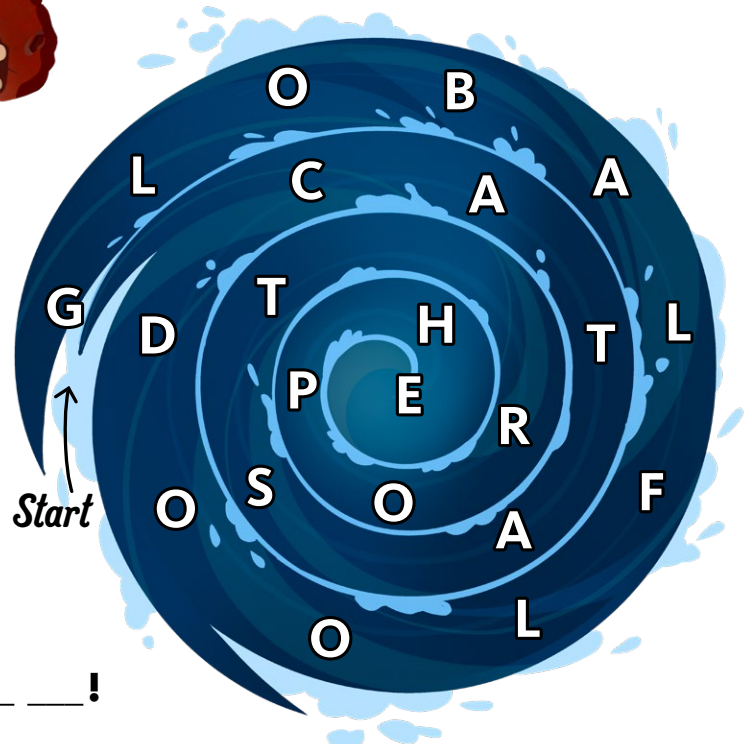

As you come to the letters in the spiral, write them in the blanks to complete the sentence.

Challenge: Tree frogs can jump 150 times their body length. Try big leapfrog jumps as you say each word of your verse. How far can you get?

Tomorrow's Verse: Therefore its name was called Babel, because there the LORD confused the language of all the earth. And from there the LORD dispersed them over the face of all the earth. Genesis 11:9

Ask yourself this question:
Do I take God seriously?

- Our good and kind God loves it when we want to trust and obey him. That's a way to honor him! What's one way you can honor and please God today with your words and actions? Look up Ephesians 4:25–31.

- Pray and ask God to help you take him seriously as Noah did and to help you live to honor and obey him.

- Tell someone something you learned about the ark and the global flood.

- Check AnswersVBS.com/junglekids for more fun information!

Our jungle journey today took us to the fourth C, **Confusion**. The Bible says that God told the people to move all around the world, but they didn't love or trust God, so they disobeyed him. They began to build a city and a tall tower instead. God caused the people to spread out by confusing their language and changing the way they talked. Suddenly, the people couldn't understand each other anymore! So they all left with their families and scattered around the world. That's why there are different people groups who speak in different languages all over the earth. But no matter where we live or what language we speak, we are all part of the same human race!

Starting at the top of the tower and moving left to right, use the code to find the correct letters for each brick. Write the letters in order to answer the question below.

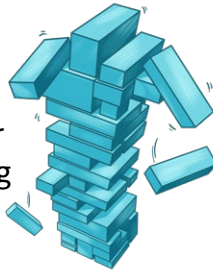

What happened at Babel?

The _____ p _____ d _____ God and built a
_____ o _____. So God _____ f _____ their language, and
they _____ e _____ all over the _____ r _____.

Unscramble the words to complete today's verse.

Therefore its name was called _____, because
aBble
there the LORD _____ the language of all the
secdunof
earth. And from there the LORD _____ them over
pidssrede
the face of all the earth. Genesis 11:9

Challenge: Find blocks or something to build with then say the verse as you build a tower, placing one block for each word. Can you say the whole thing before the tower topples?

Tomorrow's Verse: But to all who did receive him, who believed in his name, he gave the right to become children of God. John 1:12

Ask yourself these questions:
Do I like to talk about how great
I am or how great **God is**? How
can I bring attention to God?

- Make a list of things you're good at. Do you like to tell others about them and try to make a name for yourself (like the people at Babel), or do you give the credit to God for the things you're good at? It's awesome you have abilities from God. Thank him for them!
- Rather than bringing attention to yourself like the people at Babel did, take time to bring attention to God. Tell at least two people something amazing about God or God's creation.
- Ask God to help you live in a way that honors and pleases him.

DAY 4: CHRIST & CROSS

Savior for All Who Believe

Today we stopped on our jungle journey cruise at two exciting places, the fifth and sixth C's, **Christ** and **Cross**. We've already learned that all people sin and our sin separates us from a holy God. The punishment for sin is death and eternal separation from God. Today we saw God's plan to help us with this sin problem. The Bible says that God loves us so much, he sent his perfect Son, Jesus Christ, to earth as a baby. As Jesus grew up, he never sinned, because he is God! But some sinful people nailed Jesus to a cross, and he died. This was all part of God's plan. Jesus took the punishment we deserve for our sins when he died on the cross. But after three days, Jesus came back to life! Now he's in heaven, where all who admit their sin, believe in Jesus, and receive him will be together forever.

Find the correct path through the maze from Jesus' birth to his death, then finish at the empty tomb. Fill in the blanks as you pass each word to complete the sentence.

Jesus Christ was _____ to be our Savior.

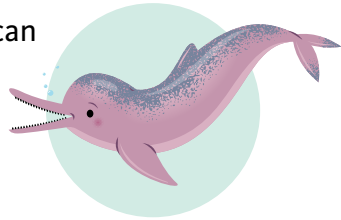

He never _____ but _____ on a _____ to
take _____ punishment, and then he _____ again!

Complete today's verse by using the code.

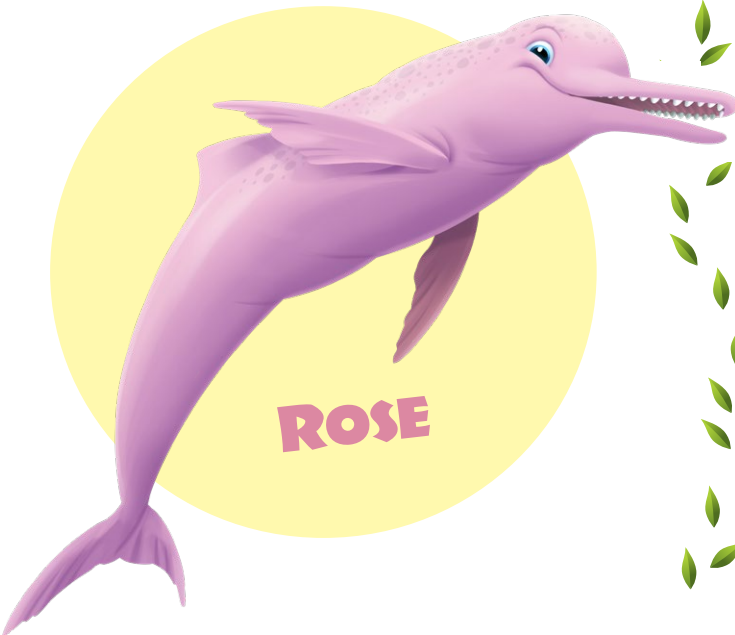

B _ t to _ ll who did r _ c _ _ v _ him,
 who b _ l _ _ v _ d in his n _ m _ ,
 he g _ v _ the r _ ght to b _ c _ m _
 ch _ ldr _ n of G _ d. J _ hn 1:12

Challenge: Many dolphins can jump over 25 feet in the air! Try jumping as you say each word of your verse. How high can you jump?

Tomorrow's Verse: He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away. Revelation 21:4

Ask yourself this question:
 Am I a child of God?

- In spite of our sin, God loved us and sent his Son. Say today's Bible verse to yourself and think about if you have ever admitted, believed, and forever received Jesus as your Savior.

- Show someone the color cross you made today and explain what each of the words and colors mean.

- Talk to God and thank him for sending his one and only Son to rescue from sin all who believe.

DAY 5: CONSUMMATION

All is Good Again

Today was the last stop on our great jungle journey at the seventh C, **Consummation**. That's a big word that means "how everything will turn out in the end." The Bible says that God will destroy the old world that's been corrupted by sin and make a brand-new heaven and earth someday. All of God's children, those who have turned from their sin (repented) and put their trust in Jesus, will live in the new heaven and earth. It will be more amazing than we can imagine. There will be no sin! Nothing bad or sad—no sickness, no death, no crying, no pain. And best of all—we'll be with Jesus forever!

Read each word in the list. If it's something we have here on earth, circle the letter under the word "Here." If it's something we will have in heaven, circle the letter under the word "There."

	<i>Here</i>	<i>There</i>
1. Amazing beauty	M	G
2. Death	O	B
3. No animals fighting	O	D
4. Anger	M	T
5. Lasting joy	C	A
6. Jesus on his throne	B	K
7. Crying	E	P
8. Pain	G	R
9. Streets of gold	N	O
10. Sin	O	L
11. New bodies	W	D

Write all the circled letters in order on the blanks below to complete the sentence.

At the consummation, _____ will
 _____ everything _____.

Fill in the blanks with the correct words to remind you of what won't be in heaven. Be careful! Some words don't belong in the verse.

crying
birthday
worship
death
mourning
happiness
pain
tear

He will wipe away every _____ from their eyes, and _____ shall be no more, neither shall there be _____, nor _____, nor _____ anymore, for the former things have passed away. Revelation 21:4

Challenge: Make up actions that go with each section of today's verse. Do them while saying the whole verse.

Ask yourself these questions:
What is something God has taught me this week at VBS? What's a way I can honor God?

- Read Revelation 21–22 and think about how the new heaven and new earth will be even more fabulous than we can ever imagine. Will there be new colors? New fruit? New animals?
- Talk to somebody about what they think heaven will be like. There are lots of ideas out there about heaven, but where should we go to find out what it's really going to be like?
- Talk to God about whether your name is written in God's Book of Life. Remember—it won't be there because you try to be a "good" person, but because you have believed in Jesus and trusted in him to save you from your sin.
