DAY 1: CREATION

All Is Good

Welcome aboard, travelers! We're cruising down the river through the 7 C's of History on our great jungle journey. Today we traveled back about 6,000 years to when the world began. We learned about the first C, **Creation**. God created the whole universe from nothing in just six normal days. God made everything—the air we breathe, the land and seas, flowers and trees, the sun, moon, and stars, fish and birds, land animals, and then people: Adam and Eve. We know this is all true because God's Word, the Bible, says so!

Start at the star. Trace the lines to the heart. Say each word as you pass it.

Challenge: Pretend you're a rainforest plant that's growing and growing as you say the verse. Crouch down low and say the verse in a whisper. Grow little by little with every time you say it, getting louder and louder, until you're standing tall with arms raised.

Tomorrow's Verse: There is none who does good, not even one. Psalm 14:3

Ask yourself this question:
Do I enjoy the beauty in God's creation and praise him for it?

- Go on a walk and see if you can find at least 10 things God made. Praise him for them! (Praise is telling God how great he is.) Can you remember what God made on each day of creation? You can check Genesis 1 in your Bible if you need help.
- Use your senses to praise our Creator God. First, with an adult, taste a food and praise God (thank him) for it. Now go outside and use your eyes to see something God has made. Praise him for it. Smell something good, listen for something, and touch something God has made. Praise him for each of them.
- Pray and tell God what an amazing Creator he is! That honors him when you give him the credit for what he has made!

Challenge: Tree frogs can jump 150 times their body length. Try big leapfrog jumps as you say each word of your verse. How far can you get?

Tomorrow's Verse: Babel . . . there the LORD confused the language of all the earth. Genesis 11:9

Ask yourself this question:
Do I want to trust and obey God?

- Go on a hunt around your house and see how many dark-colored items and blue items you can find. What C's do these colors remind you of?

- God loves it when we trust and obey him. That's a way to honor him! Talk to an adult about a way you can obey God today.

- Pray (talk to God) and ask him to forgive you when you sin and help you trust him.

DAY 3: CONFUSION

All in Confusion

Our jungle journey today took us to the fourth **Confusion**. The Bible says that God told the people to move all around the world, but they disobeyed God and began to build a city and a tall tower instead. So God confused their language by changing the way they talked. Suddenly, the people couldn't understand each other anymore! So they all left with their families and scattered around the world. That's why there are different people groups who speak in different languages all over the earth. But no matter where we live or what language we speak, we are all part of the same human race!

Fill in the chart below to remind you what happened at Babel.

Challenge: Find 12 blocks or other stackable items. Put one down and say the first word of the verse. Put another down and say the next word. See if you can stack all 12 and say the whole verse before your tower falls down.

Tomorrow's Verse: But to all who . . . believed, he gave the right to become children of God. John 1:12

Ask yourself this question:
Do I like to tell others about God and how great he is?

- The people at Babel didn't obey God. What is one way you can obey God today with your words and actions? It honors and pleases God when you want to obey him.
- Pray (talk to God) and ask him to help you want to live to honor and obey him.
- Have someone read Genesis 11:1–9 to you and talk about it. How should we treat each other, since all people groups are really from one family that scattered from Babel?

DAY 4: CHRIST & CROSS

Savior for All Who Believe

Today we stopped on our jungle journey cruise at two exciting places, the fifth and sixth C's, **Christ** and **Cross**. We've already learned that all people sin and are separated from a holy God. But today we saw God's plan to help us with our sin problem. The Bible says that God loves us so much, he sent his perfect Son, Jesus Christ, to earth as a baby. We celebrate Jesus' birth at Christmas each year. As Jesus grew up, he never sinned, because he is God! But some sinful people nailed Jesus to a cross, and he died. This was all part of God's plan. Jesus took the punishment for our sins when he died on the cross. But after three days, Jesus came back to life! We celebrate this great day at Easter. When we admit our sin and believe in Jesus, God gives us eternal life.

Follow the path to remember what Jesus did for us.

Jesus came to rescue you.

Angels announced Jesus' birth.

Shepherds came to worship Jesus.

Wise men came to worship Jesus.

Jesus lived a perfect life and did many miracles.

Jesus came back to life!

Jesus died on the cross.

All who trust in Jesus for salvation will spend eternity with him.

Challenge: Many dolphins can jump really high in the air! Try jumping straight up as you say each word of your verse. How high can you jump?

Tomorrow's Verse: He will wipe away every tear from their eyes. Revelation 21:4

Ask yourself this question:
Am I a child of God?

- Go on a color hunt and see if you can find something in each of these colors: green, dark, blue, gray, white, and red. Do you remember what each C stands for?

- Talk to God and thank him for sending Jesus to take our punishment for sin.

- Tell someone about Jesus and why we celebrate Christmas and Easter.

DAY 5: CONSUMMATION

All is Good Again

Today was the last stop on our great jungle journey at the seventh C, **Consummation**. That's a big word that means "how everything will turn out in the end." The Bible says that God will destroy the old world and make a brand-new heaven and earth someday. All of God's children, those who have turned from their sin (repented) and put their trust in Jesus, will live in the new heaven and earth. It will be beautiful and wonderful because there will be no sin! Nothing bad or sad will be there—no sickness, no death, no crying, no hurting. And best of all, God's children will be with Jesus forever!

Put an **X** on all the things that won't be in the new heaven and earth.

Revelation 21:4

Challenge: Act out
today's verse as you say it.

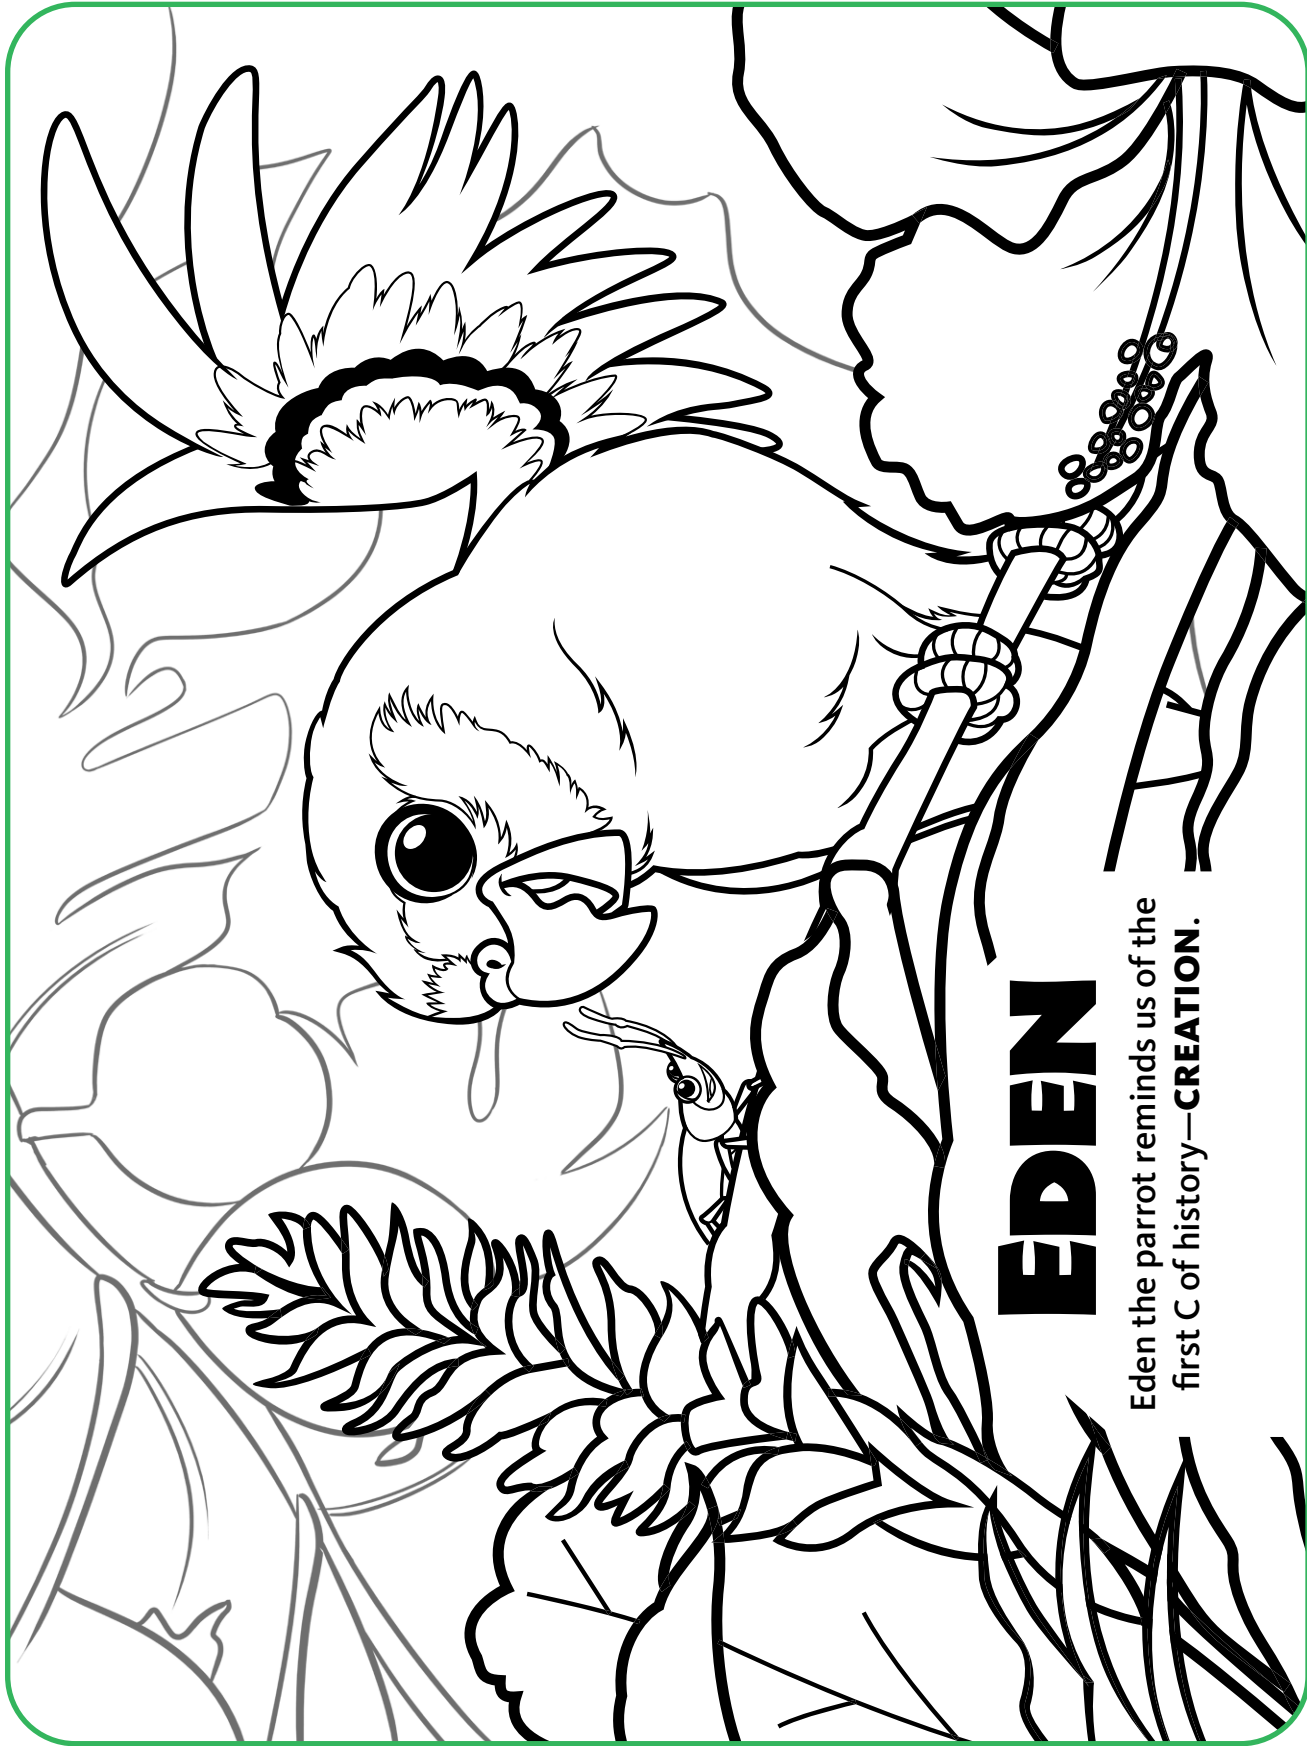

Ask yourself this question:
**Do I want to trust and
obey God?**

- Have someone read all or part of Revelation 21–22 to you and think about how the new heaven and new earth will be even more fabulous than we can imagine. Will there be ew colors? New fruit? New animals?
- Talk to somebody about what they think heaven will be like. What book is the place to go to find out the truth about that?
- Talk to God and thank him for the Bible, where we can learn about the 7 C's of History and about Jesus!
