DAY 1: CREATION

All Is Good

Welcome aboard, travelers! We're cruising down the river through the 7 C's of History on our great jungle journey. Today we traveled back about 6,000 years to when the world began. We learned about the first C, **Creation**. God created the whole universe from nothing in just six normal days. God made everything—the air we breathe, the land and seas, flowers and trees, the sun, moon, and stars, fish and birds, land animals, and then people; Adam and Eve. We know this is all true because God's Word, the Bible, says so!

Can you name some things God created? Color the picture.

Today's Verse:

In the beginning, God created
the heavens and the earth.

Genesis 1:1

Challenge: Pretend you're a rainforest plant that's growing and growing as you say the verse. Crouch down low and say the verse in a whisper. Grow little by little with every time you say it, getting louder and louder, until you're standing tall with arms raised.

Tomorrow's Verse: There is none who does good, not even one. Psalm 14:3

Ask yourself this question:
Do I remember to thank God when
I enjoy his beautiful creation?

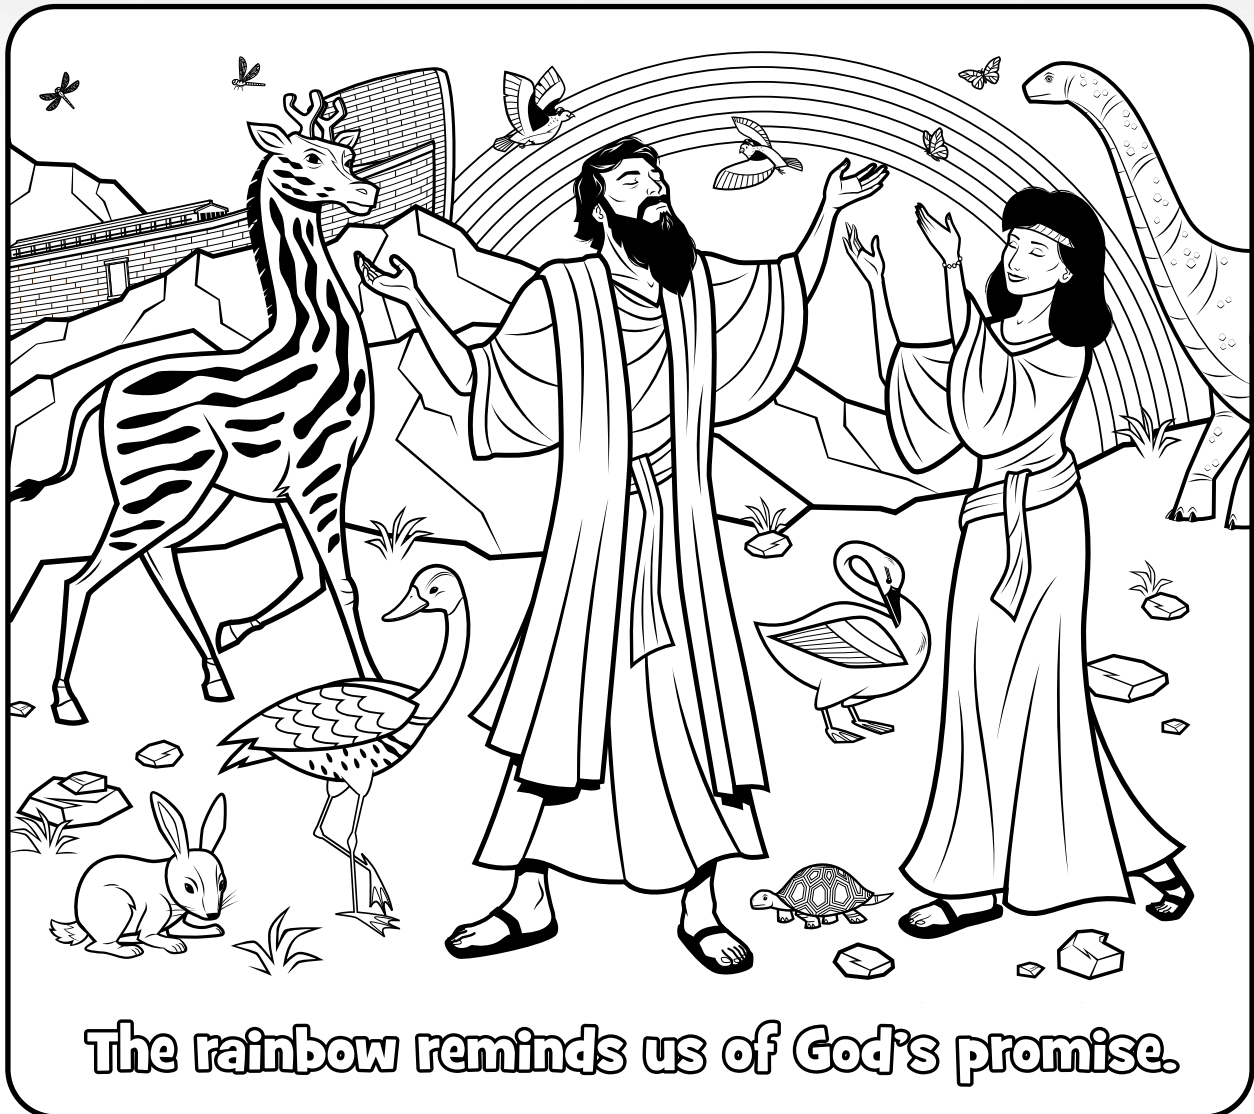

- Go on a walk and find at least 10 things God made. Praise him for them! Now see if you can remember what God made on each day of creation. You can check Genesis 1 in your Bible if you need help.
- Use your senses to praise our Creator God. First, with an adult, taste a food and praise God (thank him) for it. Go outside and use your eyes to see something God has made. Smell something good, listen for something, and touch something God has made. Praise God for each thing.
- Pray and tell God what an amazing, good Creator he is! Thank him for something he has created.
- With someone's help, check AnswersVBS.com/junglekids for more fun information!

DAY 2: CORRUPTION & CATASTROPHE

All Sin

Welcome back, travelers! Today on our great jungle journey, we explored some of the dark places in the jungle. First we learned about the second C, **Corruption**. The Bible tells how Adam and Eve sinned when they disobeyed God. Since then, the world has both good and bad in it. People do wrong things, and bad things happen. Adam and Eve's grandchildren became so sinful that God had to judge their sin by sending a global flood. This is the third C, **Catastrophe**. (A catastrophe is a terrible event.) Water covered the whole world, and only Noah and his family and the animals God sent were saved on the ark.

The rainbow reminds us of God's promise.

Circle the picture that is most like the ark from the Bible.

Today's Verse:

**There is none who does
good, not even one.**

Psalm 14:3

Challenge: Tree frogs can jump 150 times their length. See if you can leapfrog while you say your verse.

Tomorrow's Verse: Babel . . . there the LORD confused the language of all the earth. Genesis 11:9

Ask yourself this question:
**Do I want to trust and
obey God?**

- Go on a hunt around your house and see how many dark-colored items and blue items you can find. What C's do these colors remind you of? (Corruption and Catastrophe)
- God loves it when we trust and obey him like Noah did. That's one way to honor God! Talk to an adult about a way you can obey God today.
- Pray (talk to God) and ask him to forgive you when you sin and help you trust him.
- Check AnswersVBS.com/junglekids for more fun information!

DAY 3: CONFUSION

All in Confusion

Our jungle journey today took us to the fourth C, **Confusion**. The Bible says that God told the people to move all around the world, but they disobeyed God and began to build a city and a tall tower instead. So God confused their language by changing the way they talked. Suddenly, the people couldn't understand each other anymore! So they all left with their families and scattered around the world. That's why there are different people groups who speak in different languages all over the earth. But no matter where we live or what language we speak, we are all part of the same human race!

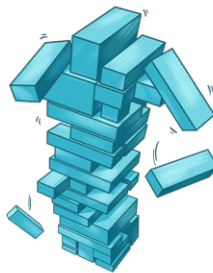

God scattered the people. Use different colors to trace their paths.

Today's Verse:

**Babel . . . there the LORD confused
the language of all the earth.
Genesis 11:9**

Challenge: Use 12 boxes or other stackable items. Put one down and say the first word of the verse. Put another down and say the next word. See if you can stack all 12 and say the whole verse before your tower falls down.

Tomorrow's Verse: But to all who . . . believed . . . he gave the right to become children of God.
John 1:12

Ask yourself this question:
Do I want to obey God, or do I only
do what I want, like the people
did at the tower of Babel?

- The people all spoke the same language until God confused it by making different languages. Ask a grown-up to help you learn different ways people say "hello." French: "bonjour" (bohn-ZHOOR), Italian: "ciao" (chow), German: "guten tag" (GOO-ten tahk), Hawaiian: "aloha" (ah-LO-ha), Taiwanese: "lí-hó" (LEE-ho).
- Have someone read Genesis 11:1–9 to you and talk about what happened at the tower of Babel.
- Pray (talk to God) and ask him to help you obey him.
- Check AnswersVBS.com/junglekids for more fun information!

DAY 4: CHRIST & CROSS

Savior for All Who Believe

Today we stopped on our jungle journey cruise at two exciting places, the fifth and sixth C's, **Christ** and **Cross**. We've already learned that all people sin and are separated from a holy God. But today we saw God's plan to help us with our sin problem. The Bible says that God loves us so much, he sent his perfect Son, Jesus Christ, to earth as a baby. We celebrate Jesus' birth at Christmas each year. As Jesus grew up, he never sinned because he is God! But some sinful people nailed Jesus to a cross, and he died. This was all part of God's plan. Jesus took the punishment for our sins when he died on the cross. But after three days, Jesus came back to life! We celebrate this great day at Easter. When we admit our sin and believe in Jesus, God gives us eternal life.

**Follow the path to remember
what Jesus did for us.**

Jesus came to
rescue you.

Angels announced
Jesus' birth.

Shepherds
came to
worship
Jesus.

Wise men came to
worship Jesus.

Jesus lived a
perfect life and did
many miracles.

Jesus came
back to life!

Jesus died
on the cross.

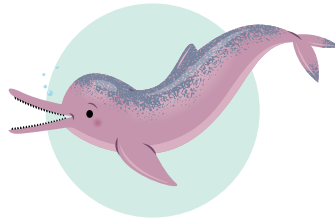

All who trust in
Jesus for salvation
will spend eternity
with him.

Today's Verse:

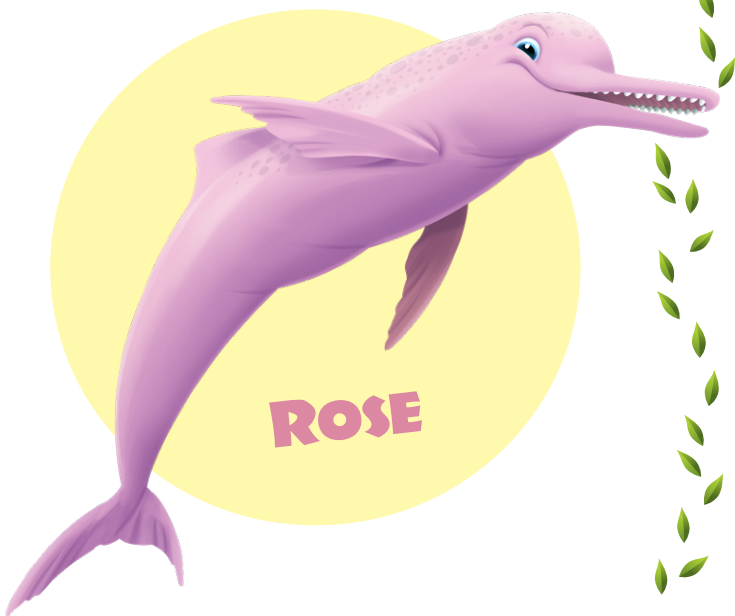

**But to all who . . . believed
. . . he gave the right to
become children of God.
John 1:12**

Challenge: Dolphins can do big jumps! Try jumping as you say each word of your verse. How high can you jump?

Tomorrow's Verse: He will wipe away every tear from their eyes. Revelation 21:4

Ask yourself this question:
Am I a child of God?

- Go on a color hunt and see if you can find something green, dark, blue, gray, white, and red. Do you remember which C each color stands for? Creation, Corruption, Catastrophe, Confusion, Christ, and Cross.

- Talk to God and thank him for sending Jesus to take our punishment for sin.

- Tell someone about Jesus and why we celebrate Christmas and Easter.

- Check AnswersVBS.com/junglekids for more fun information!

DAY 5: CONSUMMATION

All is Good Again

Today was the last stop on our great jungle journey at the seventh C, called **Consummation**. That's a big word that means "how everything will turn out in the end." The Bible says that God will destroy the old world and make a brand-new heaven and earth someday. All of God's children, those who have turned from their sin (repented) and put their trust in Jesus, will live in the new heaven and earth. It will be beautiful and wonderful because there will be no sin! Nothing bad or sad will be there—no sickness, no death, no crying, no hurting. And best of all, God's children will be with Jesus forever!

Draw a line to match the pictures of things that will be in heaven. Color the pictures.

Christians

Streets of Gold

God

Today's Verse:

**He will wipe away every
tear from their eyes.**

Revelation 21:4

Challenge: Act out
today's verse as you say it.

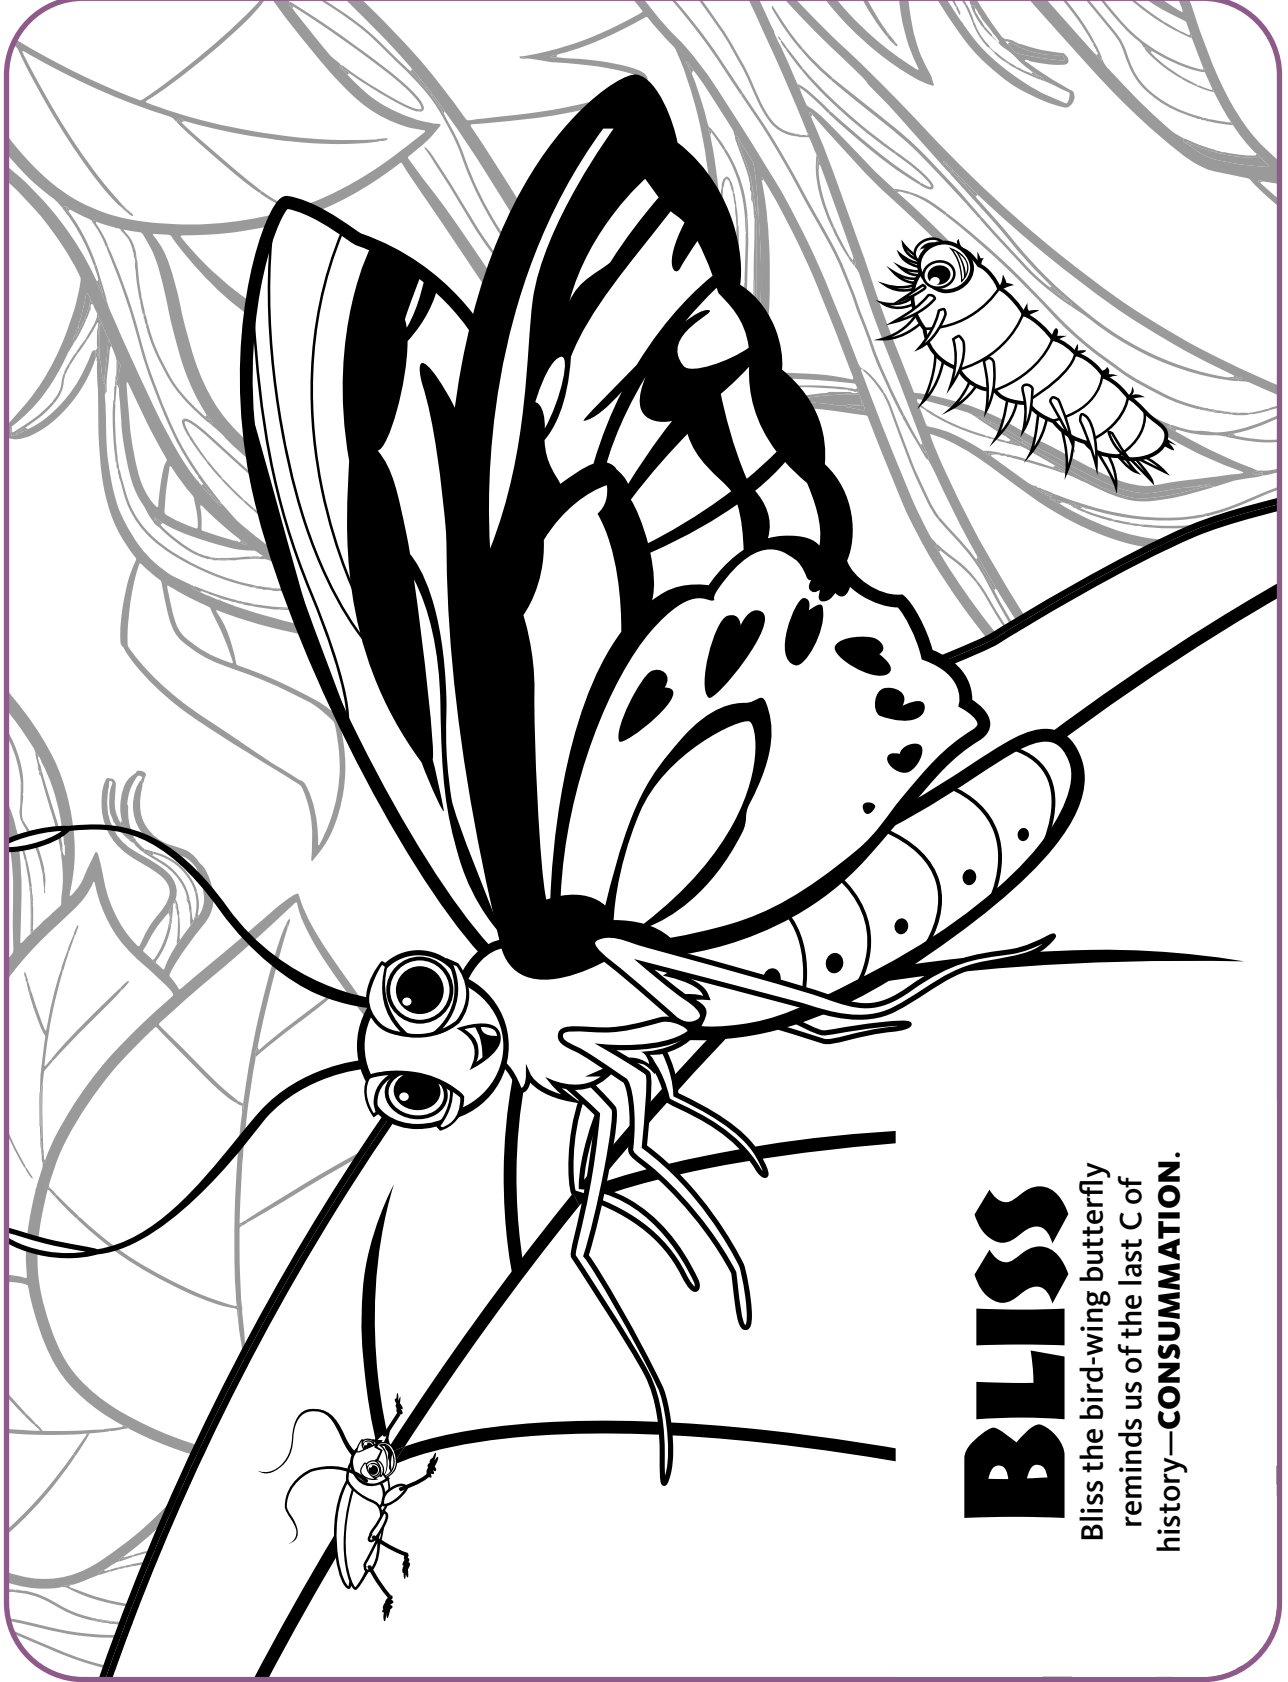

Ask yourself these questions:

**Do I love God? Am I
a child of God?**

- Have someone read all or part of Revelation 21–22 to you and think about how the new heaven and new earth will be even more fabulous than we can imagine. Maybe there will be new colors, new fruit, or new animals.
- Draw a picture of what you think heaven will be like.
- Check AnswersVBS.com/junglekids for more fun information!

Bliss

Bliss the bird-wing butterfly reminds us of the last C of history—**CONSUMMATION**.
