Name: Chiumbo

Country: Kenya

Challenge: Orphan

About: Chiumbo's parents were faced with the problem of too many mouths to feed and too little food. They made the decision to leave Chiumbo when he was very young. Thankfully, Chiumbo was found by a kind woman who decided to care for him as her own child. Though she is faced with the same problem as Chiumbo's parents, she has chosen to do everything she can to care for all of her children, including Chiumbo.

Prayer Requests: Pray that families living in poverty would be able to provide food for their families so they do not need to leave their children in the care of others.

Pray that local churches would be able to identify families in need and help them provide for their children.
