

# GOD OF WONDER CHALLENGE

This week we've been learning about God's different characteristics, called attributes, to unlock the mystery of who God is. Today's challenge gives us clues to find out more about God! Some of God's attributes are only his. For example, God never changes (Hebrews 13:8), but as humans we change a lot! Other of God's attributes are things we can also do, although not perfectly as he does! For instance, God is perfectly kind (Psalm 145:17), but God can also help us be kind. Look up the Bible verses listed below. Write down what attribute of God the verse is describing. Then check the box if you think that attribute applies only to God or if it's one we can also display.
