

# Notes

## **PROFESSOR'S PLAQUES**

See the Resource DVD-ROM for a set of award “plaques” to print. You can dress them up with dollar store picture frames or mount them on colored card stock.

## **SOLITARY LIFE POEM**

For easier reading on stage, a large print edition of the Day 1 Solitary Life poem is available on the Resource DVD-ROM.

## **SHRINK ZAPPER**

Use a large soaker type squirt gun for this prop. Paint it titanium silver with gold highlights to make it look more realistic and less like a toy.

## **MINIATURE ODA GRIM**

Use a small plastic doll for this prop and, if possible, dress it to look similar to your Oda Grim character. One of our test churches was able to find a Polly Pocket™ doll that worked perfectly.
