Time Lab

Written by Corby LaCroix, Mark Millard, Steve King

We're gonna travel through time
There's so much to see
From before creation
Into eternity
You'll be sure to find Jesus
Doing amazing things
Come along for the ride
On a Time Lab discovery

Let's go! (Let's go!) Here we go! (Let's go!)
On a Time Lab discovery
Let's go! (Let's go!) Here we go!
We're making a Time Lab discovery!

Initiating countdown
All systems go
When we search for Jesus
There's so much more to know
So fasten your seat belts
We'll show you everything
3 - 2 - 1 it's a Time Lab discovery

Let's go! (Let's go!) Here we go! (Let's go!)
On a Time Lab discovery
Let's go! (Let's go!) Here we go!
We're making a Time Lab discovery

Let's go! (Let's go!) Here we go! (Let's go!)
On a Time Lab discovery
Let's go! (Let's go!) Here we go!

We're making a Time Lab discovery
We're making a Time Lab discovery

Gonna travel through time
On a Time Lab discovery

Alpha and Omega

Written by Corby LaCroix, Mark Millard, Steve King

From the before the earth
Even the dawn of time
Was the Word of God
And the Word was Christ

Yes he made all things whether great or small
No matter where we go, he is Lord of all

Jesus, Alpha and Omega
Jesus, wonderful Savior
Who was and is and is to come
The Son of God, the Holy One
Jesus, Alpha and Omega

At the end of time and for eternity
He has always been and he will always be

Jesus, Alpha and Omega
Jesus, wonderful Savior
Who was and is and is to come
The Son of God, the Holy One
Jesus, Alpha and Omega

So we praise our God for everything he's done
Yes, the Lord most high is the timeless one

Jesus, Alpha and Omega
Jesus, wonderful Savior
Who was and is and is to come
The Son of God, the Holy One
Jesus, Alpha and Omega

Jesus, Alpha and Omega
Jesus, wonderful Savior
Who was and is and is to come
The Son of God, the Holy One
Jesus, Alpha and Omega

Rock of Ages

Written by Corby LaCroix, Mark Millard, Steve King

Praise him, praise him everyone
For everything our God has done
Praise him, praise him everyone
Now move yourself, let's have some fun!

Jesus made the day and night
So step to the left and step to the right
Then Jesus, he became a man
Now turn around, fast as you can
Our Jesus is the Rock of Ages
Bounce up and down, like it's contagious

Let's go! Let's go!

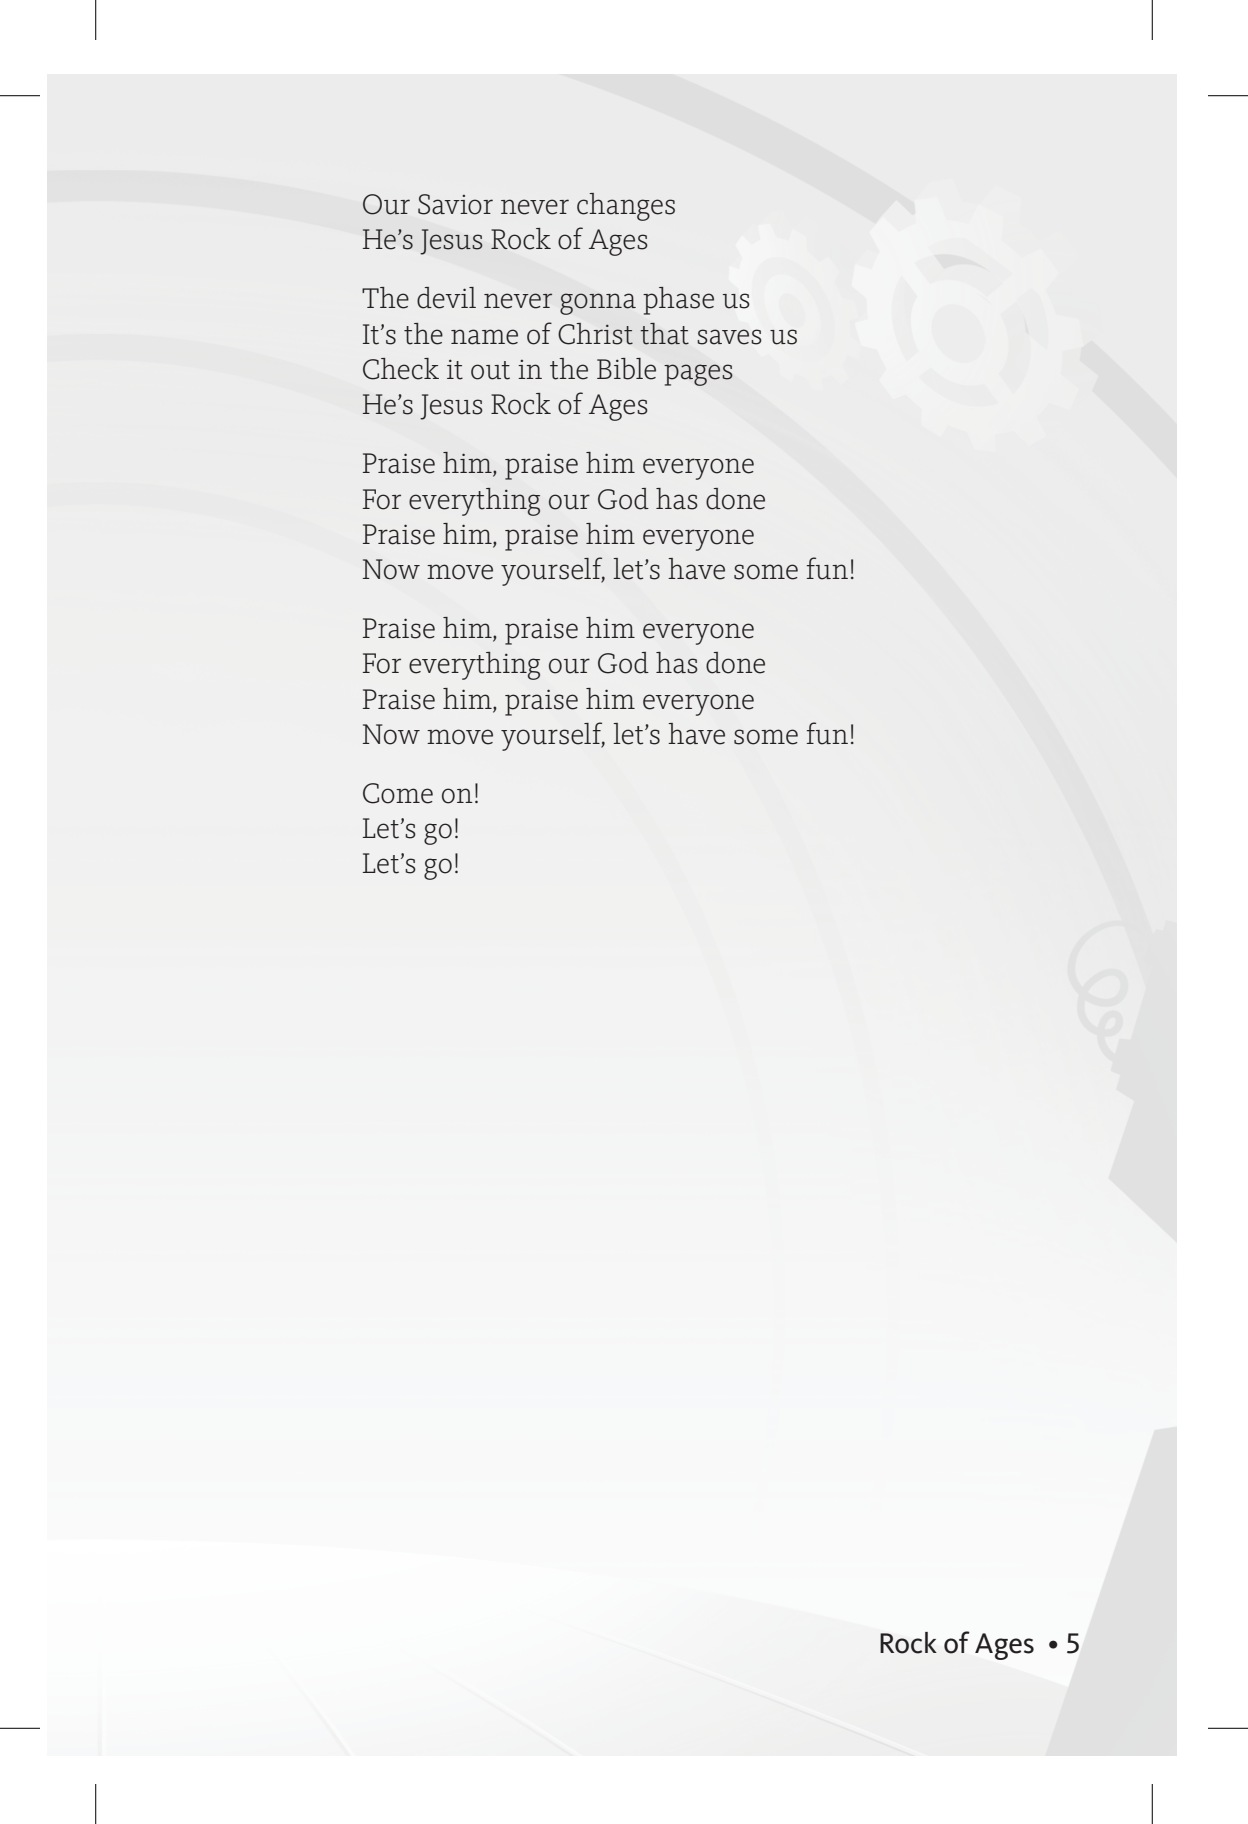

Praise him, praise him everyone
For everything our God has done
Praise him, praise him everyone
Now move yourself, let's have some fun!

'Cause Jesus came to bring us life
Now lift your hands up to the sky
So clap clap clap for the King of Kings
And stomp stomp stomp for the Prince of Peace
Our Jesus is the rock of ages
Bounce up and down, like it's contagious

Let's go! Come on!
Let's go! Let's go!

Praise him, praise him everyone
For everything our God has done
Praise him, praise him everyone
Now move yourself, let's have some fun!

Jesus Rock of Ages
Everybody sing his praises

The background of the page features a light gray design with several interlocking gears of different sizes. Sweeping, curved lines in shades of gray and white flow across the page, creating a sense of motion and depth. The overall aesthetic is clean and modern.

Our Savior never changes
He's Jesus Rock of Ages

The devil never gonna phase us
It's the name of Christ that saves us
Check it out in the Bible pages
He's Jesus Rock of Ages

Praise him, praise him everyone
For everything our God has done
Praise him, praise him everyone
Now move yourself, let's have some fun!

Praise him, praise him everyone
For everything our God has done
Praise him, praise him everyone
Now move yourself, let's have some fun!

Come on!
Let's go!
Let's go!

Light of the World

Written by Corby LaCroix, Mark Millard, Steve King

The King of kings from highest high
Came down to earth to live and die
Was love that made him sacrifice
Once for all time, he paid the price

He's the Light of the World
The never-changing Savior
Who was and is God's only Son
And this Light of the World
Has overcome the darkness
The way, the truth, the life, the Holy One

For the sins of man, he bled and died
And on that cross, he gave his life
But the darkest grave could not hold him in
On that glorious day, he was raised to life again

He's the Light of the World
The never-changing Savior
Who was and is God's only Son
And this Light of the World
Has overcome the darkness
The way, the truth, the life, the Holy One

And this Light of the World
Has overcome the darkness
The way, the truth, the life, the Holy One
The Holy One

High Places

Written by Corby LaCroix, Mark Millard, Steve King

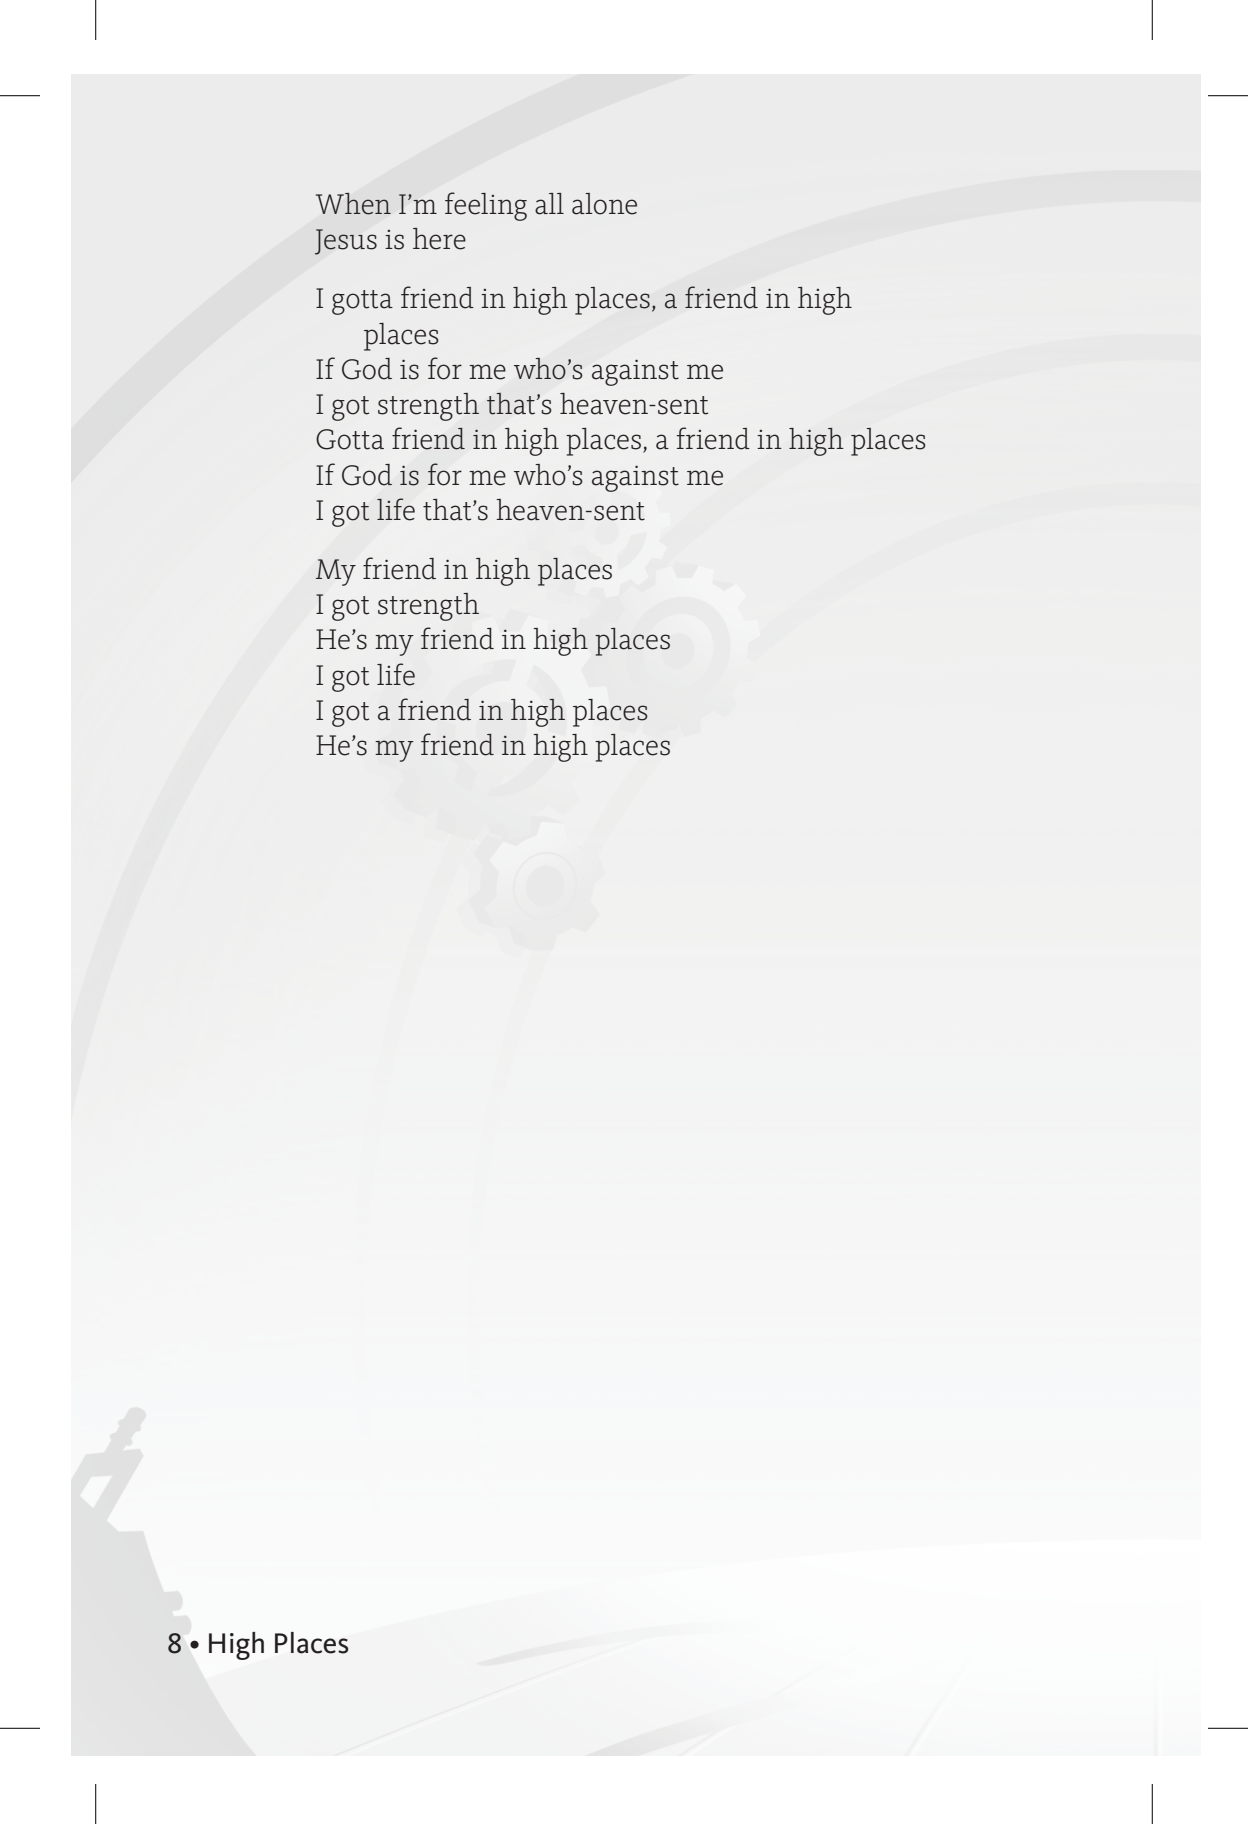

I got a friend in high places, a friend in high places
If God is for me who's against me
I got strength that's heaven-sent
Gotta friend in high places, a friend in high places
If God is for me who's against me
I got life that's heaven-sent

Why did Jesus heal the sick
Give sight to the blind
Help the lame to walk
Here's why: because he loves us
And why is Jesus here today
Give life to the world
He's never far away
That's right because he loves us

I gotta friend in high places, a friend in high places
If God is for me who's against me
I got strength that's heaven-sent
Gotta friend in high places, a friend in high places
If God is for me who's against me
I got life that's heaven-sent

Why did Jesus heal the sick
Give sight to the blind
Help the lame to walk
Here's why: because he loves us
And why is Jesus here today
Give life to the world
He's never far away
That's right because he loves us

When I'm in the danger zone
Jesus is here

When I'm feeling all alone
Jesus is here

I gotta friend in high places, a friend in high
places
If God is for me who's against me
I got strength that's heaven-sent
Gotta friend in high places, a friend in high places
If God is for me who's against me
I got life that's heaven-sent

My friend in high places
I got strength
He's my friend in high places
I got life
I got a friend in high places
He's my friend in high places

Jesus Reigns

Written by Corby LaCroix, Mark Millard, Steve King

The world keeps spinning 'round
Sometimes knocks you down
But you don't have to worry
You don't have to ever be afraid

There will come a day
When hope is here to stay
For we have seen his glory
The Savior full of truth and grace

Jesus reigns, in the end it's him
Time is done for death and sin
For everyone who calls his name
The light of God turns night to day
Forever Jesus reigns

No more hurt and pain
Sin will fade away
When Jesus reigns, when Jesus reigns
Every knee will bow
Every tongue will shout
That Jesus reigns, that Jesus reigns

Jesus reigns, in the end it's him
Time is done for death and sin
For everyone who calls his name
The light of God turns night to day
Forever Jesus reigns

Jesus reigns, in the end it's him
Time is done for death and sin
For everyone who calls his name
The light of God turns night to day
Forever Jesus reigns

Fairest Lord Jesus

*Additional lyrics by Corby LaCroix, music by
Mark Millard, Steve King, Corby LaCroix*

Fairest Lord Jesus, ruler of all nature
You alone are where my joy is found
You will I cherish
You will I honor
You're my soul's glory, joy, and crown

Every day
You are the same
You will remain
And every day
I am amazed that I can say

Beautiful Savior, Lord of all the nations
Son of God and Son of Man You are
Glory and honor, praise, adoration
To the one who forever changed my heart

Every day
You are the same
You will remain
And every day
I am amazed that I can say

Jesus shines brighter, Jesus shines purer
Than all the stars that the midnight sky can hold
Fairest Lord Jesus
Fairest Lord Jesus

Glory Be to Jesus

Written by Buddy Davis

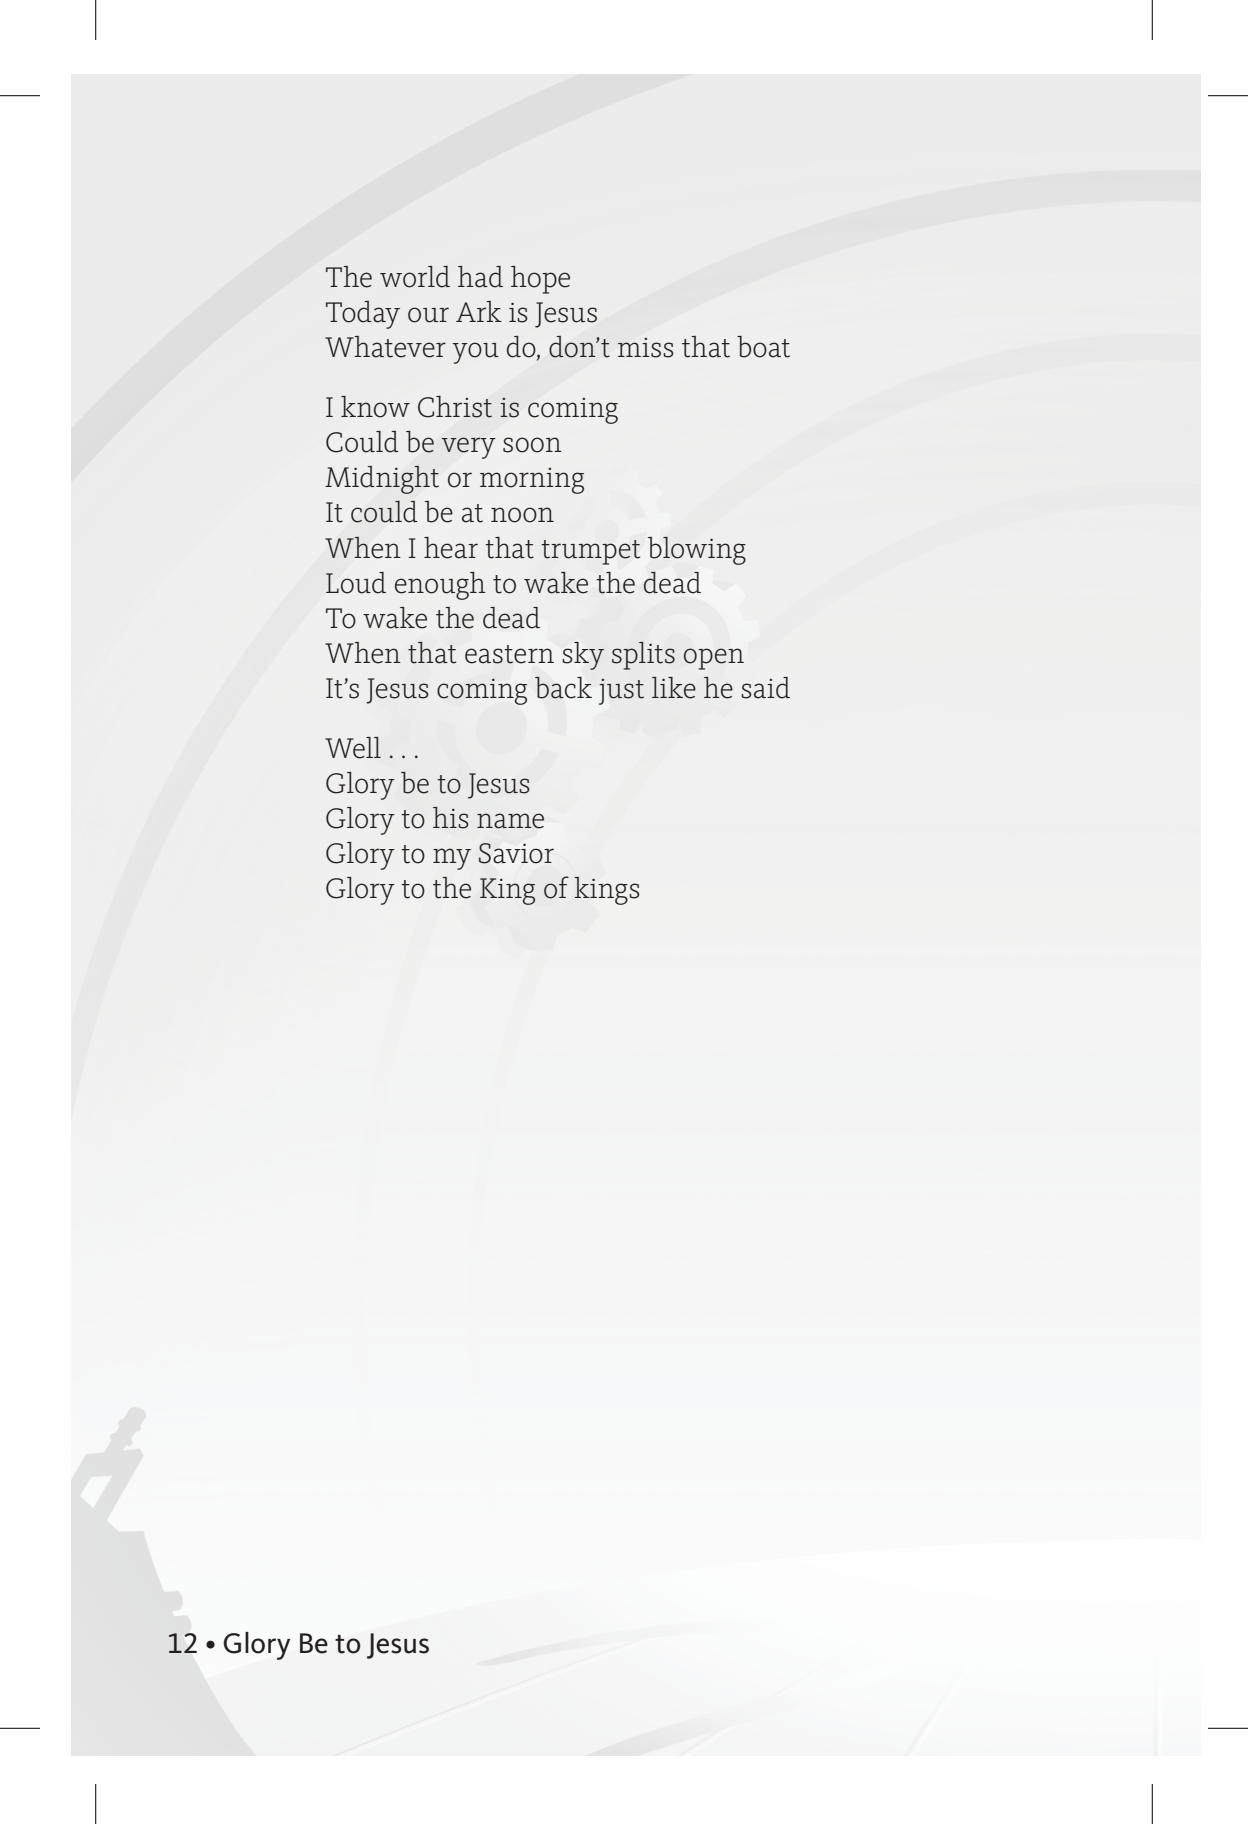

Glory be to Jesus
Glory to his name
Glory to my Savior
Glory to the King of kings

Jesus he created
The heavens and the earth
He made everything from nothing by the power of his word
Jesus is eternal
My Creator's always been
He's always been
He exists outside of time
And you can live eternally with him

My Lord created Adam
From the dust he was made
Tempted in the garden
Adam took the bait
He swallowed the lie of Satan
That sin still affects you and me
You and me
Because we're all of one blood
The fruit doesn't fall far from the tree

Glory be to Jesus
Glory to his name
Glory to my Savior
Glory to the King of kings

In time the world grew wicked
God was sorry he made man
He told Noah
You are righteous
Build an ark, I've got a plan
Noah found grace in God's eyes
Through Noah there was finally hope

The world had hope
Today our Ark is Jesus
Whatever you do, don't miss that boat

I know Christ is coming
Could be very soon
Midnight or morning
It could be at noon
When I hear that trumpet blowing
Loud enough to wake the dead
To wake the dead
When that eastern sky splits open
It's Jesus coming back just like he said

Well . . .
Glory be to Jesus
Glory to his name
Glory to my Savior
Glory to the King of kings
