

Wonder Junction Jamboree

You don't want your community to miss out on this awesome VBS, so get the word out by hosting your very own promo event called the Wonder Junction Jamboree. This is a carnival-type event held two to three weeks before VBS so you can preregister children, build excitement, and spread the word throughout the community.

The Wonder Junction Jamboree will be a good time filled with games, crafts, activities, and snacks. Admission is free. Invite the community by setting up an event page on Facebook and by mailing or handing out ["You're Invited!" invitations](#) to church attendees, friends, sports teams, clubs, and family.

For a list and description of suggested [activities](#) to offer at your carnival, check the following pages.

Many of these suggestions can also be incorporated into VBS week or the closing program if not used prior to VBS.

Setup

- Decide if your event will be indoors or outdoors. If indoors, use a multipurpose room. If outdoors, choose a grassy area or a safe area of the church parking lot.
- Each activity should have its own space, a sign with its name, prize tickets, and a marker or stamp (1220930) to use on each child's master ticket.
- Use folding tables or large cardboard boxes for activities requiring a base. Drape each table with a colorful, thematic tablecloth, fabric, or sheet. Attach boards, PVC pipe, or long cardboard tubes to each side of the table. Stretch a colorful sign made from roll paper between the two boards and add some colorful balloons.
- A simpler option is to use rope, cones, or sidewalk chalk to mark individual activity spaces.
- Choose a few of the suggestions found in the decorating section of this guide.

- Keep it fun, colorful, and simple.
- Play VBS music.

Staffing

- Enlist at least one worker for each activity area. Church families may want to sign up to decorate, organize, and staff one activity each. This divides the workload into small, manageable pieces.
- Workers should dress in VBS T-shirts or Western-themed clothing.
- Friendly, costumed greeters can welcome the arriving families.

Registration

- Set up the registration area near the entrance to your event. Warmly greet each arriving family.
- Check everyone in.
- Copy extra [carnival master tickets](#) on brightly colored card stock. Cut apart. Give one to each child. This ticket enables children to participate in each activity once and will be marked or stamped at each location when it is completed.
- Sign up any unregistered children for VBS. Print [registration forms](#) or register online at myAnswers.com.

Note: Some of the games need a start line, finish line, or throwing line. These can be made from painter's tape, masking tape, rope, cones, or chalk.

Miners would pay big bucks for an orange or other citrus fruit. Cut oranges horizontally, slicing them into circles, reminiscent of wagon wheels.

SOURDOUGH SNACKERS
