

DAY 3: THE VALUE OF LIFE

G'day, mates! As you traveled to the Australian coast today, you met Bill the platypus. He's a very unique creature, and every person in the world is unique and valued by God, too!

In your Bible lesson today, you learned about Jesus' birth. Every baby is special, but Jesus was the most special baby ever! Not everyone was excited about his birth, though. When he realized that Jesus was special, King Herod wanted to kill Jesus. He wanted to be the only special person around. God values all people, but sometimes people, like King Herod, don't treat others well. Herod didn't have the right view of life. But God considers every life valuable, and we should too!

God values you greatly. Each and every person—young, old, healthy, sick—is a priceless treasure.
